The procedure to add user codes to a Vista 20P, 21iP, 15P and 10P is the same, the difference is the number of user codes each control panel supports.. A master user code is the only code that can create secondary user codes. Honeywell's factory default master code, which is user 02 on every panel mentioned above, is 1234.

Written by the "Greatest Health Oracle of the 20th Century", this book exposes that it is one thing to cure disease -- and quite another to restore the sick to health. Shelton believed that health care is self-care and advocated that healing is a biological process, not an art. Includes the complete, unabridged Rubies in the Sand.
