The return of Christ is vital to the message of the Bible. But is it an integral part of our Christian lives? After surveying the Scriptures for the influence of Christ's return on our personal holiness, Ryan M. McGraw carefully examines 1 John 2:28–3:3 in order to show how this truth gives us direction in the Christian life, drives us to maturity in Christ, and brings our hope to resolution in light of His second coming. Read and see how our future hope of Christ's return drives our present pursuit of godliness.

The definitive guide to getting ready for and staying safe after a major earthquake in the Pacific Northwest. FEMA recommends being prepared for two weeks of self-sufficiency after it occurs, and this handbook will show you how with clear, informative, and easy-to-implement steps. Recent seismic activity has made national headlines and underscored the fact that the Cascadia fault line off the coast of British Columbia, Washington, Oregon, and Northern California is overdue for a major earthquake. And when it happens, living conditions could be akin to those in the mid-nineteenth century. This handbook covers the supplies you need to stay safely in place, including water, food (and food prep), first aid, sanitation, health and hygiene needs, shelter and bedding, and light/fire. It also includes lists of what to purchase and how to store it, as well as simple exercises to gain confidence in performing necessary tasks. Learn what to do during and immediately after an earthquake, how to develop a reunification plan, and how to communicate when basic infrastructure is down. It also addresses the particular concerns of those living in coastal areas (the tsunami zone) as well as those outside of the severe impact zone. It covers long-term ways to stay safe without modern conveniences and a crash course in survival techniques should the quake happen before all preparations are complete. Get Ready! presents information in clear, practical, and manageable steps, equipping the reader with the skills to care for themselves and their loved ones should a major earthquake hit. And when it does, the internet will not be an option, making this reference handbook invaluable. If you live in the Pacific Northwest, you need Get Ready!

It's time to get up and get ready. There's so much to do! What shall we wear? What's for breakfast? And where will we go? Use all your senses to read this interactive book, developed with help from children and designed with every young reader in mind.

Jeremy Corbyn's Labour stands on the brink of power, promising a fundamental re-ordering of British politics. But what, in practice, will this entail? How can a radical government stand up to an establishment that is hostile to any significant redistribution of wealth and power? People Get Ready! dives into the nitty gritty of what's needed to bring about transformative change. Unlike a decade ago, the left's problem is no longer a shortage of big ideas. Inside and outside the Labour Party, an agenda for new forms of public and community ownership is taking shape. Today the biggest danger facing the left is lack of preparedness—the absence of strategies that can make these ideas a reality. People Get Ready! draws on previous attempts at radical change, from the election of Labour at the end of the Second World War and the progressive early days of Mitterrand's presidency in France, to Tony Benn's battles with Harold Wilson and Margaret Thatcher's icy insistence that there was no alternative to free markets. These stories highlight the importance of knowing your allies and, even more, your enemies, of being ready to deal with sabotage and resistance from the highest levels, of being bold enough to transform the structures of government, and of having a mass movement that can both support the leadership and hold it to its radical programme when the going gets

Winner of the Somerset Maugham Award One of Granta's Best Young British Novelists From the acclaimed author of What Is Not Yours Is Not Yours, Gingerbread, and Peaces There's something strange about the Silver family house in the closed-off town of Dover, England. Grand and cavernous with hidden passages and buried secrets, it's been home to four generations of Silver women—Anna, Jennifer, Lily, and now Miranda, who has lived in the house with her twin brother, Eliot, ever since their father converted it to a bed-and-breakfast. The Silver women have always had a strong connection, a pull over one another that reaches across time and space, and when Lily, Miranda's mother, passes away suddenly while on a trip abroad, Miranda begins suffering strange ailments. An eating disorder starves her. She begins hearing voices. When she brings a friend home, Dover's hostility toward outsiders physically manifests within the four walls of the Silver house, and the lives of everyone inside are irrevocably changed. At once an unforgettable mystery and a meditation on race, nationality, and family legacies, *White is for Witching* is a boldly original, terrifying, and elegant novel by a prodigious talent.
