that combines sweetness and science. I am a fox. Do you see me? Timeless and nostalgic, quirky and fresh, lightly educational and wholly heartfelt, this autobiography of a fox kit will delight all cuddlers and snugglers. See the world through a fox kit's eyes in a charming book about finding your place in the world. Over the course of four seasons, Kit comes of age in the forest. In spring, she gambols. In autumn, she races. In summer, she sneaks and slinks. But with her mama, she will always be a little kit. This is the second in a series of board books that pairs Kristen Tracy's enchanting, playful text with Alison Farrell's sweet, endearing art for an adorable treatment of everyone's favorite topic: baby animals! **PERFECT FOR BEDTIME KISSES:** The story goes through a day in the life of a baby fox kit and ends tucked into her den with her mama fox. It's the perfect book to take families through their own day, complete with a cozy goodnight moment! **ENCOURAGES CHILDREN TO IMAGINE OTHER PERSPECTIVES:** This book is told in the first person: "I am a fox." The unusual narrator will get the youngest readers thinking about what it's really like to be a little fox kit! **TEACHES COMPARISONS:** The idea of seeing through the animal's eyes using comparisons to familiar ideas (Kit is slower than a hummingbird but faster than a turtle) is a perfect introduction to comparative logic. **TEACHES SEASONS:** Readers will delight in following Kit through all four seasons of the year, learning what she does differently in spring than she does in summer, what she does for the first time in autumn, and how she experiences winter. **CRITICALLY ACCLAIMED ILLUSTRATOR:** Alison Farrell is the author-illustrator of the fan favorite *The Hike*, along with *Cycle City*, *Bicycle Bash*, and *A Cub Story*, the first book in this series. Here she brings her love of science and sweet animals to a brand-new series about forest critters! **BABY ANIMALS!** There's one thing all babies love: baby animals! There are all kinds of animals to look at and learn about
