She'd always remembered her father's physical abuse, his anger and violence. But there was a lot she had forgotten. And, at the age of 24, after the birth of her son, the memories that were gradually unlocked with the help of a psychiatrist were far more terrible. Katie had grown up living in fear.

abuse at the hands of her unstable, alcoholic father for ten years until the night she realised he was turning his attention towards her younger sister, who was on the verge of becoming his next victim. Stacey's trial went horribly wrong and she was found guilty of first-degree murder and sentenced to life in prison without the possibility of early release. But - after spending as many years behind bars as she had outside of them - her sentence was finally reviewed and she was freed. I Shot Daddy is Stacey's heartrending memoir of her harrowing childhood and the pain and protective love of her sister that led her to that horrifying night. An incredibly moving and gripping story which tells of an extraordinary recovery of a woman determined to fight for her freedom.

p>"James, in particular, makes for a compelling, intriguing figure, one who the reader struggles to 'figure out' and make sense of even after all is said and done. In James we see many of the binary themes that unite the work as a whole: in short, an ongoing battle between light and dark." -David, firstediting.com "Your memoir is poignant, candid, and deeply moving, but moreover, it has a depth that readers who look beyond the surface will pick up quickly, a depth that gives the book a certain thought-provoking complexity." -David, firstediting.com

dysfunctional family, with a violent mother and father. Sophie was routinely neglected and harmed, starved and left to fend for herself. Social workers were often involved but, despite numerous visits and extensive reports, nothing was ever done. When Sophie was six, her life took another horrible turn: her adored grandfather began to sexually abuse her. Please Will Someone Help Me? is Sophie Young's heartbreaking story about a young girl at the mercy of the adult world. With full access to her social work files, she shows how those who are meant to help children can be blind to the reality of their lives; but how, ultimately, love conquers all. Sophie Young was the eldest of three, born into a dysfunctional family that she fought for years to escape. Now forty years old, she lives in England with her husband and

The Sunday Times and New York Times bestselling author of *Damaged* tells the true story of Donna, who came into foster care aged ten, having been abused, victimised and rejected by her family.

Tens of thousands of children are removed from home each year due to some form of child maltreatment, usually physical neglect, physical abuse, or sexual abuse, although sometimes for emotional abuse as well. An additional significant number of children are victims of child maltreatment but remain in their home. Extensive research

reveals the far reaching and long lasting negative impact of maltreatment on child victims, including on their physical, social, emotional, and behavioral functioning. One particularly troubling and complicated aspect is how the child victim forms (and maintains) a "traumatic bond" with his abuser, even becoming protective and defensive of that person despite the pain and suffering they have caused. This book will provide the reader with the essential experience of understanding how children make meaning of being maltreated by a parent, and how these traumatic bonds form and last. Through an examination of published memoirs of abuse, the authors analyze and reveal the commonalities in the stories to uncover the ways in which adult victims of childhood abuse understand and digest the traumatic experiences of their

childhoods. This understanding can inform interventions and treatments designed for this vulnerable population and can help family and friends of victims understand more fully the maltreatment experience [from the inside out].

As a child, I really didn't have a relationship with my Father. As a matter of fact, I didn't care for him very much, because I thought he was so mean. It wasn't until I was grown that I found out "who" my Father "really" was. I made many judgements that was not accurate and many things I had to ask the Lord for forgiveness. I had to realize that He wasn't a "perfect man" but He was the Father that was given to me. I saw my Mother go through many things with him. I couldn't understand and sometimes wondered, WHY? Now, I can see

her strength. Today, I'm grateful because she's still teaching me, how to be strong. Even though she's deceased, some days I can still hear her voice. Years later, I was sitting and talking with my Father about his life. He shared many things. I found out that he wasn't the "boogey-man" that Satan displayed in my head. So many stories he shared and they were good, as well as funny. I've shared some of them with you. Now, You share them with Your Family. I often say, "Leave a Legacy!" I HOPE YOU ENJOY THE CONVERSATION!

nightmares. Alice Lawrence knew all too well the torture suffered at the hands of a father whose depravity knew no bounds. She too was kept prisoner and repeatedly made pregnant - and it was only after the death of one of her babies that she finally found the courage to escape. Born in 1970, Alice grew up in the impoverished backstreets of an industrial Northern town with her parents and seven brothers and sisters. She was first raped by her father when she was 11. From the age of 15, she was made pregnant six times by him in an effort to secure additional state benefits. All but one of her pregnancies failed, but her daughter never made it through her first year. The death of her baby was the spur to Alice bringing her father and abuser to justice. Finally, Alice can tell her deeply moving story of recovery from abuse.

Life, liberty, and the pursuit of happiness are prescribed ideals in America of 2050. The Moral Authority, the nation's newest branch of government, has virtually eliminated crime, poverty, and most social ills, but it also rules the land with a tyrannical fist, championing ignorance and brandishing fear. Mark Bryan is a gay man whose existence brands him an outlaw; Isaac Montoya is a charming stranger, who entices Mark to defy moral law; and Samuel Pleasant runs the Moral Authority and plans to punish moral offenders and a rebellious uprising-no matter the cost. Will liberty and justice return for all?
