Supernova: The Knight, The Princess and the Falling Star presents a series of intertwined and unconventional love stories, straight and gay, with a bit of science and spirituality added to the mix. The major characters are young, urban, and technologically highly aware. They are caught up in major forms of contemporary social conflict. The work has been highly acclaimed. The poet Taufiq Ismail has written: "A renewal has taken place in Indonesian literature over the past decade. Supernova is an intelligent, unique and truly exciting exploration of science, spirituality and the nature of love." The literary critic Jacob Soemardjo suggests: "This is an attractive novel by a young writer. It is an intellectual work in the form of a work of pop art, set in the real world. It opposes old values with new ways of understanding, so that readers can see the world in a different way."

As one of the first studies of its kind, this book synthesises competing explanations of women's rights and rigorously tests the implications of cultural, international norms-building and core rights explanations across nationality, political, reproductive, and property rights. The results show that conventional wisdoms are often overstated and incomplete, such that far less is actually known about how, where, and why women's rights improve.

She's a free-spirited dreamer. He's a brilliant painter. But now their shared passion for art has turned into something deeper.... For as long as she can remember, Kugy has loved to write. Whimsical stories are her passion, along with letters full of secret longings that she folds into paper boats and sets out to sea. Now that she's older, she dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's

living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from her eyes and the warmth of her presence pull him in. They seem like a perfect match-both on and off the page-but revealing their secret feelings means risking their friendship and betraying the people they love most. Can they find the courage to admit their love for each other and chase their long-held dreams?

Perhaps while reading Shakespeare you've asked yourself, What exactly is Hamlet trying to tell me? Why must he mince words and muse in lyricism and, in short, whack about the shrub? But if the Prince of Denmark had a Twitter account and an iPhone, he could tell his story in real time--and concisely! Hence the genius of Twitterature. Hatched in a dorm room at the brain trust that is the University of Chicago, Twitterature is a hilarious and irreverent re-imagining of the classics as a series of 140-character tweets from the protagonist. Providing a crash course in more than eighty of the world's best-known books, from Homer to Harry Potter, Virgil to Voltaire, Tolstoy to Twilight and Dante to The Da Vinci Code. It's the ultimate Cliffs Notes. Because as great as the classics are, who has time to read those big, long books anymore? Sample tweets: From Hamlet: WTF IS POLONIUS DOING BEHIND THE CURTAIN??? From the Harry Potter series: Oh man big tournament at my school this year!! PSYCHED! I hope nobody dies this year, and every year as if by clockwork. From The Great Gatsby: Gatsby is so emo. Who cries about his girlfriend while eating breakfast...IN THE POOL?

While attempting to solve the mystery of a stolen jewel, Seikei, a merchant's son who longs to be a samurai, joins a group of kabuki actors in eighteenth-century Japan.

On the night of the Parkhurst ball, someone had a scandalous tryst in the library. Was it Lord Canby, with the maid, on the divan? Or Miss Fairchild, with a rake, against the wall? Perhaps the butler did it. All Charlotte Highwood knows is this: it wasn't her. But rumors to the contrary are buzzing. Unless she can discover the lovers' true identity, she'll be forced to marry Piers Brandon, Lord Granville—the coldest, most arrogantly handsome gentleman she's ever had the misfortune to embrace. When it comes to emotion, the man hasn't got a clue. But as they set about finding the mystery lovers, Piers reveals a few secrets of his own. The oh-so-proper marquess can pick locks, land punches, tease with sly wit . . . and melt a woman's knees with a single kiss. The only thing he guards more fiercely than Charlotte's safety is the truth about his dark past. Their passion is intense. The danger is real. Soon Charlotte's feeling torn. Will she risk all to prove her innocence? Or surrender it to a man who's sworn to never love?
