~~Engineering Management International | Journal –~~  
International Journal of Engineering Business Management (IJEEM) is a peer-reviewed open access journal which focusses on the design, development and implementation of new methodologies and technologies in engineering, business and management. This journal is a member of the Committee on Publication Ethics (COPE). More.

~~International Journal of Engineering Business Management –~~  
IJERM\* International Journal of Engineering Research & Management\* is an international peer reviewed, online journal Published monthly by Eclat Research Publication. It is an international refereed e-journal. We have prestigious academic journal reviewers, team from IITs, NITs and other worlds renowned universities.

~~International Journal of Engineering Research and Management~~  
International Journal of Advanced Engineering, Management and Science (IAEMS)(ISSN:2454-1311) is an international open-access Double-Blind Peer Reviewed \*Engineering Journal | Management Journal | Humanities and Social Science Journal ". It' main aim is to give quality research papers. It covers all sub-fields of the above-mentioned fields.

~~International Journal of Advanced Engineering Management –~~  
International Journal of Latest Engineering and Management Research (IJLEMR) is an international, peer-reviewed, online, Open access journal published monthly. It publishes the results of original research in the field of Engineering and Management. IJLEMR strives to provide a forum for worldwide scientific researchers to share findings on all aspects of Engineering and Management to disseminate innovative, relevant and useful information throughout the scientific horizon.

~~IJLEMR~~  
International Journal of Core Engineering and Management (IJCEM), aims at bringing together the researchers, scientists, engineers, and scholar students in all areas of Engineering, Technology and Management and provides an international forum for the dissemination of original research results, new ideas and practical development experiences which concentrate on both theory and practices

~~International Journal of Core Engineering & Management (IJCEM)~~  
International Transaction Journal of Engineering, Management, & Applied Sciences & Technologies publishes wide spectrum research and technical articles as well as reviews, experiments, experiences, modelings, simulations, designs, and innovations from engineering, sciences, life sciences, and related disciplines as well as interdisciplinary/cross-disciplinary/multidisciplinary subjects. Original work is required.

~~International Transaction Journal of Engineering –~~  
International Journal of Engineering, Applied and Management Sciences Paradigms is an online journal and obey rules to ensure high ethical and professional standards in the field of publishing. This is a medium to publish articles that deal with theory and experimental demonstration of research. The journal support open access policy. The journal provides a medium to the researchers and academicians to express their ideas, views and help them to present and publish their new researches.

~~International Journal of Engineering, Applied and –~~  
International Journal of Engineering Technologies and Management Research is an open access journal that provides monthly publication of articles in all areas of Engineering and Management. It is an international refereed e-journal. IJETMR have the aim to propagate innovative scientific research and eminence in knowledge.

~~International Journal of Engineering Technologies and –~~  
International Journals of Management, IT & Engineering (IJMIE) is a refereed research journal which aims to promote the links between engineering and management. The journal focuses on issues related to the development and implementation of new methodologies and technologies, which improve the operational objectives of an organization.

~~International Journal of Management, IT & Engineering~~  
International Journal of Advances in Engineering and Management is online open access journal. Publishing article from more than 50 countries in the field of engineering and technology, management. IJAEM is Peer reviewed refereed Journal. Provides Review Report within 24 hrs with of help of 200+ reviewers team.

~~International Journal of Advances in Engineering and –~~  
International Journal of System Assurance Engineering and Management is the official Journal of the Society for Reliability Engineering, Quality and Operations Management (SREQOM), India; and the Division of Operation and Maintenance, Lulea University of Technology, Sweden.

~~International Journal of System Assurance Engineering and –~~  
The International Journal of Mathematical, Engineering and Management Sciences (IJMEMS) is an online scientific journal which publish bi monthly (6 issues per year) technical and more informal communications directed to a large readership, as well as articles/review papers/case studies that demonstrate interaction between various disciplines such as mathematical sciences, engineering sciences, engineering and technology, management sciences, numerical and computational sciences.

~~International Journal of Mathematical, Engineering and –~~  
International Journal of Construction Management Advancing the knowledge of construction management, including topics on built environment, construction economics, property law and risk management. Search in: This Journal Anywhere

~~International Journal of Construction Management – Vol 20, No 8~~  
IJFERM is a scholarly peer-reviewed international journal covering all aspects of the theory and practice of financial engineering and risk management. IJFERM is particularly interested in promoting research related to the development and implementation of new quantitative models leading to operational decision aids in finance.
