This exciting, all new edition of Introduction to Business, 3e introduces students to core business concepts and how they center around a company's business plan. This texts' applied approach addresses how and why a business operates.

In every job, in every career, we use important business concepts. Whether your students become professional athletes, managers,CEOs, or journalists, they will need good decision-making skills. Skills that will help them work with others in a professionalmanner, manage and organize their work, and manage other employees. Madura's INTRODUCTION TO BUSINESS 4e introduces students tothese concepts and shows how they enhance good business decision-making. Through lively examples, Madura emphasizes key core skillareas including, Decision-Making and Planning, Teamwork, Technology, and Communication. It's up to you to help your students learnhow to make the best decisions possible when they enter the business world.

Focusing on the perspectives of firms and investors, this text recognizes that finance is more than financial management and offers coverage of financial markets, institutions and investments as well.

Personal Finance's highly interactive approach, engaging style, and lively page design captures students' attention as they learn how to incorporate each important concept into their own financial planning. Students will leave the course with a ready-to-implement financial plan and the tools and knowledge they need to effectively manage their own personal finances.

Combining depth of theory with practical applications, Madura's best-selling INTERNATIONAL FINANCIAL MANAGEMENT ABRIDGED, 12E builds on the fundamental principles of corporate finance to provide the timely information and contemporary insights needed to prosper in today's global business environment. With its signature reader-friendly style and clear explanations, the text introduces international finance with a focus on the important role of modern multinational corporations in global commerce. It discusses a wide range of managerial topics using a strong corporate perspective. Emphasizing the most recent financial changes and industry trends, the Twelfth Edition highlights financial reform and its impact on international finance today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A readable, useful discussion of the rewards -- and hazards -- of offshore investing for institutional portfolio managers and other investment professionals.

Applying an invaluable sensemaking framework to organizational change and combining the theory and practice of implementing change, this book represents an instructive and informative view on change in business. Its strength lies in two key areas: the discussion and explanation of a strategic sensemaking approach, for helping managers, management educators and students to understand organizational change a longitudinal study of a major company which underwent several organizational changes, revealing some of the key problems and challenges that managers face when introducing, implementing and managing change. Rather than being structured as a 'how to' book, this outstanding text provides the reader with practical insights and skills for managing (or resisting) change. Applying Weick's famous sensemaking approach, it offers a unique way to understand the processes involved in organizational change.
