Although it is certain that the new engine families described above represent the future, to insure ongoing product support and continuity, many of the 8000 series engine models developed and refined over three decades by Fiat Iveco also remain available from Iveco Motors. The 8000 series range of engine models is extensive, and includes engines from the smallest 2.9 liter 8031 three cylinder family to the much larger 25.8 liter V12 engines in the 8291 family.
