Grammatical terms - Characteristics of Japanese grammar - Basic conjugations - Verbs - Connection forms of important expressions - Numerals and counters - Compound words.

This highly-visual book introduces an effective new method to learn over 1,000 Japanese kanji characters using visual stimuli and pictographs. Learning the fundamental kanji characters used to write Japanese can be challenging, but this book is designed to speed up learning by presenting the 1,000 most common characters using a mnemonic approach. In a fun and accessible way to learn Japanese, each kanji is associated with memorable visual and verbal clues. For example, the Japanese character for person is superimposed over a sketch of a smiling man. The visual clue is "a person standing on two legs". By seeing the distinctive shape of the kanji, learners create a mental image of its meaning. Each character is presented as part of a group of characters which share similar traits. These groups use common root symbols known as radicals; they are also categorized by themes such as colors, numbers, animals, or body parts. Pronunciations, meanings and common vocabulary compounds are provided for each character in the group. Mnemonic clues are also given for the basic 92 hiragana and katakana phonetic symbols. A free audio CD helps you learn pronunciation for all of the characters and vocabulary in this book. The introduction explains the basic history and structure of the kanji. Key feature of this Japanese kanji book include: Hiragana and katakana phonetic symbols Easy-to-remember drawings and stories for ALL characters Thousands of vocabulary words Audio CD for pronunciation practice

Learning kanji is one of the most important step in learning Japanese. Words and phrases are so important to master foreign language, we works hard on this and try our best to help you master them faster, better and more easily. "An easy and effective way of steadily building up your kanji."—Kenneth G. Henshall, A Guide to Remembering Japanese Characters This calendar-like practice pad allows you to effectively practice basic-intermediate Japanese kanji and learn a year's worth of kanji in just minutes a day. Although more people are studying the Japanese language than ever before, others are still wary of starting because they believe, "it's too difficult." But Kanji-A-Day, Volume 2 will show beginning-intermediate students that learning Japanese kanji is highly manageable when absorbed in small doses. It will help intermediate and upper-intermediate Japanese learners review and improve upon their past studies and practice Kanji every day. Japanese kanji are fascinating pictographic characters that were originally adopted from written Chinese. After a few weeks of gradual progress your ability to read Kanji, write Kanji and pronounce Japanese will grow tremendously. This calendar like desk companion starts with the most basic Kanji and builds upon itself, one day at a time. For easy reference and review, a booklet listing the 365 kanji is included. Each of the 365 pages contain these six components: The featured Japanese kanji character. The English meaning. The readings written in Japanese script (Hiragana). Related compounds with their meanings and readings. Stroke-order diagrams. 28 practice squares. To get started with Kanji-A-Day, turn to Day One and begin by studying the character, its readings, meanings and sample compounds. Then tear off the sheet and, using the stroke order guide, practice writing the character in the spaces provided. In a matter of days you'll be on your way to reading and writing kanji with ease!

Learning kanji is one of the most important step in learning Japanese. Words and phrases are so important to master foreign language, we works hard on this and try our best to help you master them faster, better and more easily.
