This historical novel purportedly written by Joan's longtime friend -- Sieur Louis de Conte -- discloses Twain's unrestrained admiration for the French heroine's nobility of character.

Documents the life of the fifteenth-century French teenage peasant who led an army into battle and became a saint.

From the author of the acclaimed She-Wolves, the complex, surprising, and engaging story of one of the most remarkable women of the medieval world—as never told before. Helen Castor tells afresh the gripping story of the peasant girl from Domremy who hears voices from God, leads the French army to victory, is burned at the stake for heresy, and eventually becomes a saint. But unlike the traditional narrative, a story already shaped by the knowledge of what Joan would become and told in hindsight, Castor’s Joan of Arc: A History takes us back to fifteenth century France and tells the story forwards. Instead of an icon, she gives us a living, breathing woman confronting the challenges of faith and doubt, a roaring girl who, in fighting the English, was also taking sides in a bloody civil war. We meet this extraordinary girl amid the tumultuous events of her extraordinary world where no one—not Joan herself, nor the people around her—princes, bishops, soldiers, or peasants—knew what would happen next. Adding complexity, depth, and fresh insight into Joan’s life, and placing her actions in the context of the larger political and religious conflicts of fifteenth century France, Joan of Arc: A History is history at its finest and a surprising new portrait of this remarkable woman. Joan of Arc: A History features an 8-page color insert.

Recreates Joan's mission, betrayal, and death

Translation based on the Latin text of the trial found in the edition of Pierre Champion, Procès de condamnation de Jeanne d'Arc (Paris, 1920). Includes information on accusations against Joan, Saint Catherine, Charles VII, legal procedure, Saint Margaret, Joan's clothing, alleged cursing, escape, fabrications, hair, horse, idolatry, illness, prophecies, relapse, retrial, alleged sorcery, superstition, voices, weapons, wounds, etc.

Warrior, martyr, saint: Joan of Arc has captivated imaginations around the world for centuries. The legendary heroine of a tumultuous episode from the Hundred Years' War, Joan led the French army to triumph over the English at the Siege of Orléans in 1429. Two years later the 19-year-old was captured by the enemy and their French collaborators, charged with heresy, and burned at the stake – the end of her life but the beginning of her enduring fame. This expertly translated and lavishly illustrated biography traces The Maid of Orléans' progress from ordinary peasant girl to seer of mystic visions to savior of France. Forty full-page color plates by French artist and illustrator O. D. V. Guillonnet enhance historian Frantz Funck-Brentano's highly readable narrative. Originally published in 1912 as part of a series of young adult biographies of French leaders, this beautiful and inspiring book will enchant readers of all ages.

The profoundly inspiring and fully documented saga of Joan of Arc, the young peasant girl whose "voices" moved her to rally the French nation and a reluctant king against British invaders in 1428, has fascinated artistic figures as diverse as William Shakespeare, Mark Twain, Voltaire, George Bernard Shaw, Bertolt Brecht, Carl Dreyer, and Robert Bresson. Was she a divinely inspired saint? A schizophrenic? A demonically possessed heretic, as her persecutors and captors tried to prove? Every era must retell and reimagine the Maid of Orleans's extraordinary story in its own way, and in Joan of Arc: A Life Transfigured, the superb novelist and memoirist Kathryn Harrison gives us a Joan for our time—a shining exemplar of unshakable faith, extraordinary courage, and self-confidence during a brutally rigged ecclesiastical inquisition and in the face of her death by burning. Deftly weaving historical fact, myth, folklore, artistic representations, and centuries of scholarly and critical interpretation into a compelling narrative, she restores Joan of Arc to her rightful position as one of the greatest heroines in all of human history.

"A master of the story form" (The New York Times) offers a fresh, revealing portrait of the legendary saint Celebrated novelist Mary Gordon brings Joan of Arc alive as a complex figure full of contradictions and desires, as well as spiritual devotion. A humble peasant girl, Joan transformed herself into the legendary Maid of Orléans, knight, martyr, and saint. Following the voice of God, she led an army to victory and crowned the king of France, only to be captured and burned at the stake as a heretic—all by the age of nineteen. Gordon does more than tell this gripping story—she explores Joan's mystery and the many facets of her inspiring life.

Against the fascinating tapestry of Frances history during the Hundred Years' War, Diane Stanley unfolds the story of the simple thirteen-year-old village girl who in Just a few years would lead France to independence from English rule, and thus become a symbol of France's national pride. It is a story of vision and bravery, fierce determination, and tragic martyrdom. Diane Stanley's extraordinary gift to present historical information in an accessible and child-friendly format has never been more impressive, nor her skillful, beautifully realized illustrations (here imitating medieval illuminated manuscripts) more exquisite.

One feels closer to Joan in these pages than in any modern biographies.--Saturday Review
