Strength & Conditioning Journal

The Strength and Conditioning Journal (SCJ) is the professional journal for strength coaches, personal trainers, physical therapists, athletic trainers, and other health professionals working in the strength and conditioning field. The journal's mission is to publish articles that report both the practical applications of research findings and the knowledge gained by experienced professionals.

Strength and Conditioning Journal - NSCA

The Journal of Strength and Conditioning Research (JSCR) is the NSCA's scientific journal. This monthly publication prints original research information important to strength and conditioning practitioners. Many educational institutions, researchers, and professionals retain this journal as a valuable reference.
