This reference source presents the names and service records of almost 20,000 Kentucky soldiers and officers, both regular and militia, who served in the War of 1812. The muster rolls are laid out in tabular

Online Library Kentucky Soldiers Of The War Of 1812 With An Added Index

format by regiment and company, and thereunder the names are arranged by rank, with records of dates of appointment or enlistment and remarks such as when discharged, deceased, etc. As the official roster, this work was ordered to be compiled and printed by an Act of the Kentucky General Assembly, the number not to exceed 300 copies. The original records are now in the custody of the Kentucky Military Department, Frankfurt. This reprint edition adds an index not in the original along with an introduction by G. Glenn Clift which sets forth the background, location, and other sources of the records of the War of 1812 for the State of Kentucky.--From publisher description.

Chronicles Kentucky's evolution through a collection of abstracts from local Kentucky newspapers. Entries are made by date of the newspaper's issue-- not necessarily reflecting the date in the subject matter. References to Kentucky regiments are by the name of the regiment's commanding officer.

Excerpt from Report of the Adjutant General of the State of Kentucky: Soldiers of the War of 1812 Sir: I have the honor to submit the accompanying roster of Kentucky troops who served in the war of 1812 -

15, pursuant to act of the General Assembly, approved April 3, 1890. It is matter of serious regret that more of the personal history of those gallant men can not be gathered from the muster rolls of the several organizations; but our grandfathers of that struggle evidently considered that their business in hand demanded a more vigorous use of the sword than the pen, and that they were out to fight instead of to write, for the muster rolls and reports are very defective, when judged in the light of the modern requirements of military headquarters. But the fame of their achievements is secure, and the conspicuous bravery of the Kentucky troops on a number of the bloodiest battlefields of that war contributed in no small measure to the successful termination of the unequal struggle, a termination which gave to American soldiers and seamen -a world-wide renown, and demonstrated that the United States could not be conquered even by an alliance between such powerful foes as the British, the French and the Indians. Upon these pages may be found the familiar names of many Kentuckians who had previously risen to distinction in the peaceful pursuits of life, and of many more who subsequently rose to the highest honors at the disposal of a free and grateful people. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are

images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

A look at the lesser-known heroics of Kentucky soldiers, from the French and Indian War to World War II. Daniel Boone is celebrated as a Kentucky frontiersman, but what about his service in the French and Indian War? Custer's Last Stand in the Great Sioux War is legendary, but few remember Custer's "next-to-last-stand" in Elizabethtown, where he was sent to suppress the Ku Klux Klan and hunt down moonshiners just before heading to the Montana Territory and into history. Join Kentucky historian Berry Craig as he unearths the forgotten heroics of Kentucky soldiers, beginning with the French and Indian War and ending with World War II. Featuring tales of warriors from a diverse range of backgrounds, Hidden History of Kentucky Soldiers honors generations of Kentuckians who put their lives on the line for their country.

Historians depict nineteenth-century militiamen as drunken buffoons who poked each other with cornstalk weapons, and inevitably shot their commander in the backside. This book demonstrates that, to the contrary, militia remained an active civil institution in early nineteenth century, affecting era's social, political, and economic transitions.
