Covering a wide range of tastes and styles, this collection will inspire you to dig out your orphan yarn and get stitching.

Sock yarn isn't just for socks anymore! Veteran knitter Judith Durant presents 101 original projects that can be created from just a single skein of sock yarn, including adorable baby clothes, warm hats, beautiful scarves, and even a dog sweater. A quick and creative way to use up leftovers, many of these projects knit up in less than three hours. A little luxury goes a long way! Discover the treasures you can knit from single skeins of the expensive yarns you dream about. More than 100 patterns include elegant wraps and scarves, cuddly baby blankets, evening bags, and dozens of other projects destined to become cherished heirlooms. Indulge yourself with a small sampling of creamy cashmere, lustrous alpaca, seductive silk, exotic soy, or organic linen. The softest fibers make the greatest treasures, even in small doses.

In this all-crochet addition to the One-Skein Wonders® series, Edie Eckman and Judith Durant offer 101 exciting crochet projects – including jewelry, scarves, bags, hats, dresses, and home decor items – that each use just one skein of yarn. With projects organized by yarn type and weight, you'll be crocheting lacy shrugs for the springtime and heavy-duty beanies for the snowy winter months. Whatever your experience level, you're sure to find a delightfully portable project that suits your individual style.

These knitted and crocheted fashion accessories and decorative accents for the home vary in their required levels of skill, but all can be completed quickly and require only one skein of yarn. The stitch patterns and clear instructions make it easy for even procrastinators and the less-than-diligent to create a ruffled cravat, a drawstring bag, a tank top, cozy scarves, arm and leg warmers, lace wristlets, fingerless gloves, a mohair pillow, and even a sweater for a baby. Several projects do not require any new yarn at all – instead projects such as the Felted Striped Tote or the Labyrinth Circle Rug are designed using up a skein's worth of leftovers from other projects. A guide to terms and techniques, a resource directory, and a bibliography are also included.
