Forever Summer: Two Books In One from bestselling author Alyson Noël: Laguna Cove & Cruel Summer Summer. A break from the burdens of school. Deep tans, deeper thoughts. Far away from the everyday. Closer to making dreams come true . . . What does summer mean to you? For the two teenage girls in these two unforgettable novels, summer means being torn away from the familiar and finding new friends. A new place in the world. A new sense of self. And maybe even new love along the way . . . When you're having the time of your life, you never want it to end.

Don't miss Evermore, the first book in Alyson Noël's #1 New York Times bestselling The Immortals series. Enter an enchanting new world where true love never dies. . . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

Returning home unexpectedly from her job, anticipating spending her birthday with her boyfriend Michael, flight attendant Hailey Lane is stunned when, rather than a proposal waiting for her, she discovers him in a compromising position and embarks on round-the-world odyssey of self-discovery, solace, and the perfect guy. Original. 75,000 first printing.

"This was supposed to be my best summer yet, the one I've been working toward since practically forever. Now I'm being banished from everything I know and love, and it just doesn't make any sense." Having recently discarded her dorky image—and the best friend that went with it—Colby Cavendish is looking forward to a long hot season of parties, beach BBQ's, and hopefully, more hook-ups with Levi Bonham, the hottest guy in school. But her world comes crashing down when her parents send her away to spend the summer in Greece with her crazy aunt Tally. Stranded on a boring island with no malls, no cell phone reception, and an aunt who talks to her plants, Colby worries that her new friends have forgotten all about her. But when she meets Yannis, a cute Greek local, everything changes. She experiences something deeper and more intense than a summer fling, and it forces her to see herself, and the life she left behind, in a whole new way, in Alyson Noël 's Cruel Summer.

A beautifully repackaged two-in-one reissue of Saving Zoe and Faking 19 by #1 New York Times bestselling author Alyson Noël Secret wishes, hidden heartaches and painful truths. Everyone has them—but some secrets are harder to hide. We usually tell our best friends everything. Our crushes, our embarrassing stories, our secrets—but sometimes there are truths so deep and dark that we can't tell anyone. Not our parents, not our sisters...not even our best friends. Some secrets are so unspeakable that we keep them safely locked away so no one will ever discover them. But what happens when they become more than you can handle alone? In these two magnificent novels, two girls can't tell anyone about the terrible burdens they carry. But as they're about to learn, it's not our secrets that matter most—but those who still love us once they learn the truth.

"Since coming to Enchantment, New Mexico everything in Daire Santos life has changed. And not all for the better. While she's come to accept and embrace her new powers as a Soul Seeker, Daire struggles with the responsibility she holds navigating between the worlds of the living and the dead"--

What's the best revenge when your best friend ditches you for the popular crowd? Alyson Noël reveals all in her hot new young adult novel, Kiss & Blog. As freshmen at Ocean High last year, Winter and her best friend Sloane thought they could ditch their nerdy past, launching from invisible to cool. But after another miserable year of standing on the sidelines they make a pact to do whatever it takes not to go unnoticed in their sophomore year, promising each other that whoever makes it into the cool group first will bring the other along. One Sloane gets a taste of life on the A-list, she slams that door in Winter's face. Suddenly cast out of her former best friend's life, Winter takes revenge the modern way: by announcing all of Sloane's dirty little secrets on an anonymous blog. Then the blog becomes more popular than she ever dreamed and Winter must decide if her retaliation is really worth the consequences—and if the price for popularity is one she's willing to pay. Once again, Alyson Noël navigates the tricky waters of the high school social scene with the heart and humor her readers have come to love.

Instead of a fresh start, high school provides more grief and isolation to Echo, whose older sister died a year earlier, but insights gained from Zoë's diary—a fifteenth birthday gift from Zoë's boyfriend—about her sister's life and death change Echo in ways she could have never expected.
