Law And Morality Readings In Legal Philosophy

He felt that society had a certain moral standard, which the law had a duty to support, as society would disintegrate without a common morality and this morality should be protected by the law. In this debate Devlin stated “ individual liberty could only flourish in a stable society; disintegration of our society through lack of shared morality would, therefore, threaten individual freedom ” .

PDF Law and Morality Readings in Legal Philosophy Toronto ...

In ethics. In ethics when discussing behavior and morality, an individual is said to possess the virtue of integrity if the individual's actions are based upon an internally consistent framework of principles. These principles should uniformly adhere to sound logical axioms or postulates. One can describe a person as having ethical integrity to the extent that the individual's actions, beliefs ...
