This daily Come Follow Me Old Testament study guide follows the weekly schedule of Come Follow Me 2022. Each week's readings are broken down into daily chunks so everything gets read by the end of the week. There is also a daily prompt question based on the reading. An example week includes the following questions: January 10-16 Genesis 3-4; Moses 4-5 Day 1: Moses 4:1-4 - What do you learn about God, Jesus Christ, and Satan from these verses? Why is agency so important to God's plan that Satan wanted to destroy it? Day 2: Moses 4:5-12; Genesis 3:1-7 - What choices did Adam and Eve make in these verses? What would have been your thoughts if you had to make that decision? Day 3: Moses 4:13-32; Genesis 3:8-24 - How did the fall affect Adam and Eve? How does it affect you? Day 4: Moses 5:1-11 - Why did Adam and Eve offer sacrifices? What did those sacrifices symbolize? Why were Adam and Eve "glad" after their fall? Day 5: Moses 5:12-15 - What happened when the children of Adam and Eve began listening to Satan? What do we learn in these verses about how the Lord calls on us to repent? Day 6: Moses 5:16-47; Genesis 4 - Why did the Lord accept Abel's sacrifices, but not Cain's? What kinds of sacrifices does the Lord ask of you? Does reading about the sacrifices of Adam, Eve, Cain and Abel change the way you think about those sacrifices? Day 7: What truths did you learn this week and how have they helped your testimony grow? If you're looking for something that helps you work through the Old Testament Come Follow Me readings each week and help you process what you read as well, this study guide can help keep you on track!

An illustrated retelling of the stories from the Book of Mormon. Includes discussion questions.

This exquisitely produced volume presents the official LDS edition of the Book of Mormon in an attractive, accessible, readable version that brings to Latter-day Saints the helpful features that have been part of standard Bible publishing for decades: paragraphs, quotation marks, poetic stanzas, section headings, and superscripted verse numbers. The latest LDS scholarship is reflected in its brief, thoughtfully considered footnotes, although the focus is always on the text itself its wording, structure, and interconnections; allowing the book's sacred message to be heard anew. The Maxwell Institute Study Edition, produced by believing scholars, is ideally suited to both new readers of the Book of Mormon and also those who know the book well and have loved its teachings and testimony of Christ for many years.
