COMAND APS NTG 1 Audio 20 /

Audio 50. COMAND APS was introduced in 2003. It was different than the early command system found on W220, W163, W210 models which used D2B optical network. COMAND APS uses MOST network. All new head units with MOST system are called COMAND APS. To separate them from the early COMMAND systems. The NTG1 has a build in CD player which can play MP3.
