Your First Day in Minecraft. When selecting SinglePlayer and Survival mode in Minecraft, your first day can be very exciting but also very stressful. You are immediately thrown into a world with little resources and have to prepare yourself to ensure you survive your first night, when hostile mobs are more likely to attack you. Typically, your first day in Minecraft involves things like collecting resources, punching woods, killing animals, building or finding shelter, gathering food, etc.

When playing in Singleplayer mode, children are only exposed to the artificially controlled mobs where combat scenarios are not graphic whatsoever. With cartoon-like designs (block style), even monsters like zombies pose little threat to kids!

10 Reasons Why Minecraft is Safe & Good for Kids - dummies

By Jacob Cordeiro. Redstone is one of the more advanced concepts in Minecraft. You can obtain redstone dust by mining redstone ore underground. You can spread this dust across the ground as wire, attach it to levers or doors, and craft it into torches and repeaters to build machines. Whether you want a lever that performs two tasks at a time, a combination lock, or a giant virtual computer, you can build it by cleverly arranging redstone dust.
