The treasure hunters build a portal and travel to the Nether. Even with the help of the second journal detailing survival strategies for the dangerous biome, the gang is in trouble when they realize two sinister treasure hunters, Valentino and Veronica, are trailing them. Will they make it out alive, or are they in over their heads this time? This is the second book in the new Lost Minecraft Journals series. The chapters of each book alternate between the journal entries (William 's story) and the story of the treasure hunters. Fans of Minecraft won 't want to miss this wild new adventure.
