Lizing An Asian American Community

The term “Model Minority” was first used in 1966 to refer to the growing success of mainly Japanese Americans, but has now grown to include both South and East Asian Americans. The myth distinguishes Asian Americans as law-abiding,

Access Free Lizing An Asian American

productive, and polite citizens who have achieved higher success than the general population. Since its inception in popular media, the Model Minority praises Asian Americans for their apparent success across economic, academic, and cultural domains which is ...
