Nastase The Autobiography

This is a pretty good book from Mr.  
Nastase. The most fascinating aspect  
of the book concerns his freewheeling  
life as a traveling tennis pro, while still  
being a citizen of communist Romania.  
He spends a lot of time on his love life,  
his biggest matches, Davis Cup.

Mr Nastase: The Autobiography □  
HarperCollins Publishers UK

Nastase was the original entertainer and bad boy of tennis. He lifted the profile of tennis in the early 70s with his great tennis combined to his explosive and colourful personality. This book is very well written and covers his life and career recounting his great matches, the big bust ups he had on court and his checkered personal life.
