A discussion with a friend soon turned into a matter of self-assessment, leading to this discourse on why Bhagat Singh chose to be an atheist. Even in the face of death at a very young age, with uncanny observations and sharp questions, he forces us to re-think our foundations to faith in god.

On political conditions in Punjab, India, with particular reference to the role of Santa Jaranaila Singh, 1947-1984, who died in Golden Temple (Amritsar) Assault.

In 1801, Ranjit Singh, the young scion of a petty fiefdom in the Punjab was declared the Maharaja of Punjab. The young man went on to carve out a kingdom that stretched from the borders of Afghanistan in the west to those of the British Raj in the east - the lush hills and valleys of Kashmir, the barren mountains of Ladakh and the fertile plains of his native Punjab. The British dared not engage in military

File Type PDF Narinder Singh Kapoor

adventures against Ranjit Singh, but valued him as an ally who would keep their western frontier safe. The Camel Merchant of Philadelphia brings alive the king ' s dynamic court and his tumultuous but effective reign. In his court was Akali Phoola Singh, the tempestuous leader of the militant Sikhs, who won Ranjit Singh some of his most notable victories, but never fully submitted to his authority. The teenaged Muslim courtesan, Bibi Moran, was the love of the emperor ' s life. Josiah Harlan, a Quaker from Philadelphia (the camel merchant of the title), rose to become a trusted administrator, only to defect to the Afghans. Jean Baptiste Ventura and Jean Francois Allard formed the king ' s famed French legions and rose to the highest ranks of the empire ' s armies. Sarbpreet Singh ' s compelling new history of Ranjit Singh ' s life and times humanises a great emperor without glossing over his flaws and foibles. He examines the maharaja ' s complex relationship with his mother-in-law, Mata Sada Kaur, arguably the chief architect of his ascension to the throne, just as candidly as he does the rise of the Dogra brothers, who began as humble soldiers and went on to scale unimaginable heights of power and glory in his court. This is an unusually nuanced and complex image of Maharaja Ranjit Singh - a must-read for everyone interested in Indian history.

Operation Blue Star Is One Of The Most Controversial, Hotly-Debated Military Operations In The World And A Turning Point In Contemporary Indian History. This Is An Account By The Army Officer Who Led It -- Touchingly Honest, Often Anguished, Minutely Detailed. It Hides Nothing -- Not The Unexpected Reverses Suffered By The Army, Nor Its Miscalculations, Nor The Grit And Determination Of The Militants It Was Assigned To Flush Out.

No man ever steps in the same river twice, for it's not the same river and he's not the same

man—Heraclitus Militancy convulsed Punjab from roughly 1984 to 1994. Afterwards, politicians, government spokespersons and assorted intellectuals declared that ‘ Khalistan ’ was gone and the state was ‘ returning to normalcy ’ as though the state would suddenly find itself in some pleasant place of bygone era. But that is far from the truth. In reality, when the gunfire ceased, 10 years of turmoil left lasting scars and chronic afflictions. Reduced accountability warped administrative and executive ‘ culture ’ and threat perception coloured the attitude of the judiciary for years. Victimization at the hands of both police and insurgents created risk-averse citizens who prioritized personal safety above all, while policies pertaining to state debt and industry impacted economic development. This book recounts the no-holds-barred struggle to suppress militancy that morphed into an unrestricted abuse of power. It details how militancy affected the credibility of the judiciary, why trials dragged on for 25 years, how militancy influenced the popular culture and how the youth are still responding to conditions in today ’ s Punjab.

An unprecedented historical account of undivided Punjab, from the death of Aurangzeb to the Partition. For centuries, the fertile land of five rivers in the north of the Indian subcontinent was coveted by numerous empires and invaders. In this, the first major account of undivided Punjab, award-winning historian, biographer and scholar, Rajmohan Gandhi, gives us its history during its most tumultuous phase from the death of Aurangzeb, in the early eighteenth century, to its brutal partition in 1947, coinciding with the departure of the British. Relying on fresh sources as well as previous accounts provided from opposing perspectives, the author fashions a compelling narrative about the great events of the time in the region - the battles and tragedies that routinely disrupted the lives of ordinary Punjabis, the sacking of iconic cities like Lahore, Amritsar, Multan and Jalandhar by a succession of conquerors,

File Type PDF Narinder Singh Kapoor

the ravages wrought by invaders like Nadir Shah, the rise of the Sikhs culminating in the storied reign of Maharaja Ranjit Singh, Britain's successful wars against the Sikh kingdom, the Great Rebellion of 1857 and its effect on Punjab, imperialist machinations, the influence on the people by leaders of the independence movement like Mahatma Gandhi, Muhammad Ali Jinnah and Lala Lajpat Rai, as also key regional figures such as Fazl-i-Husain, Master Tara Singh, Sikander Hayat Khan and Khizr Hayat Tiwana, the devastation of Partition - and much else besides. Believing that modern India and Pakistan cannot be understood without comprehending the Punjab that was, the author also delves into the idea of Punjabiya - Punjabiness - the literature and poetry of creative giants like Bulleh Shah, Waris Shah, Iqbal, Amrita Pritam and Saadat Hasan Manto, the spiritual teachings of the Sikh Gurus and Sufi saints and, above all, the testimonials and narratives of ordinary Punjabis, to create an unforgettable portrait of a place - undivided Punjab - that continues to fascinate us (even though it broke up more than six decades ago) and of its hard-tested and resilient people, Hindu, Muslim and Sikh.

Indira Gandhi's Life Was Part Of The Unfolding History Of India, Intricately Woven With India's Past And Future. It (Became) Inevitable, Therefore, That Politics (Formed) A Backdrop To Her Public And Often Private Actions. Indira Gandhi's Life Spanned Over Two-Thirds Of A Century.
