First multi-year cumulation covers six years: 1965-70.

Multiple sclerosis is an incurable neurological disease of unknown cause with a fearful reputation for generating disability, unemployment, poverty and early death. This book critically surveys the current state of multiple sclerosis research, demonstrating the shortfall of current research undertaken on the lives of people with multiple sclerosis.

Application for Employment I refer to the recent death of the Technical Manager at your company and hereby apply for the replacement of the deceased manager. Each time I apply for a job, I get a reply that there is no vacancy but in this case I have caught you red-handed and you have no excuse because I even attended the funeral to be sure that he was truly dead and buried before applying. Attached to my letter is a copy of my CV and his death certificate. Crap CVs is a hilarious compilation of the worst job applications imaginable, including overly-honest cover letters, embarrassing typos, mortifying personal revelations, awkward interview questions, misplaced self-confidence, self-aggrandizing gibberish, blatant truth-twisting and, of course, outright lies.

Comprising a complete alphabetical list of all business firms and private citizens, a classified business directory, and a miscellaneous directory of city and county officers, churches, public and private schools, benevolent, literary and other associations, banks, insurance co's, &c., and a variety of other useful information, also, a complete post office directory of Indiana.

The seminal author of Small Pieces Loosely Joined analyzes the implications of the digital revolution in terms of modern-day business, education, politics, science, and culture and explains how to take advantage of the new emphasis on the miscellaneous and the deluge of information in both the workplace and in one's personal life. 60,000 first printing.
