Chances are you already know the NRA's Three Rules of Gun Safety (1. ALWAYS keep the gun pointed in a safe direction; ALWAYS keep your finger off the trigger until ready to shoot; ALWAYS keep the gun unloaded until ready to use.), and those rules will always apply...everywhere, every time, every gun, every person. But when you're heading into the field with a firearm, there are some additional ...

NRA Family | 7 Gun Safety Rules You Must Follow In the Field

The Regulations are augmented by, and should be read in conjunction with, the Rules of Shooting published annually by the NRA, the Instructions for Butt Markers and the regulations governing the administration of the ranges, which can be seen in the Range Office. In the interests of safety, any breach of these Regulations is to be reported immediately to an official of the NRA.

There are many different types of firearms, some of which require additional safety rules or procedures for proper operation. These should be in your owner ' s manual. Also, most sport-shooting activities have developed a set of rules to ensure safety during competition. The rules may be different from sport to sport, so always listen carefully to your instructor or range safety officer.
