From its first publication in 1719, Robinson Crusoe has been printed in over 700 editions. It has inspired almost every conceivable kind of imitation and variation, and been the subject of plays, opera, cartoons, and computer games. The character of Crusoe has entered the consciousness of each succeeding generation as readers add their own interpretation to the adventures so thrillingly 'recorded' by Defoe.

Robinson Crusoe is a novel by Daniel Defoe, first published on 25 April 1719. The first edition credited the work's protagonist Robinson Crusoe as its author, leading many readers to believe he was a real person and the book a travelogue of true incidents.Epistolary, confessional, and didactic in form, the book is presented as an autobiography of the title character (whose birth name is Robinson Kreutznaer)-a castaway who spends 28 years on a remote tropical desert island near Trinidad, encountering cannibals, captives, and mutineers, before ultimately being rescued. The story has been thought to be based on the life of Alexander Selkirk, a Scottish castaway who lived for four years on a Pacific island called "M\u00e1s a Tierra", now part of Chile, which was renamed Robinson Crusoe Island in 1966

This book is intended for Prizes won etc.
