such as therapeutic parenting, can help children move towards feeling more secure and resilient. It can also be useful for parents who are in need of support, with children that are facing attachment or challenging behaviour issues, to get specialist training or read around therapeutic parenting techniques.

Managing challenging behaviour - Family Action

Maturation – Several parents indicated that one of their major challenges would be dealing with their children growing up. This was most often discussed in the context of older children (14+), and included ideas like driving, dating, entering a new school, less parental oversight, etc.
