~~Dutch writer Peter Buwalda is keenly attuned to the ironies of being a successful novelist. " A successful writer is living a paradox, " Buwalda says from to his home in Amsterdam, where he moved after his gripping literary debut, Bonita Avenue, became a bestseller in Holland in 2010. " Being successful and writing sort of exclude each other.~~

Bonita Avenue : Peter Buwalda : 9781908968173

Bonita Avenue by Peter Buwalda is a 2015 Hogarth- Crown Publishing release. I was provided a copy of this book by the publisher in exchange for an honest review. This book was originally published in 2010 and has been translated from Dutch into English. This is certainly one of the more unusual stories I have read in a while.

"Dazzling...Critics hailed Buwalda as 'The Dutch answer to Jonathan Franzen', but his brilliance is entirely unique."--The Times (UK) Siem Sigerius is a beloved, brilliant professor of mathematics with a promising future in politics. His family—including a loving wife, two gorgeous, intelligent stepdaughters and a successful future son-in-law—and carefully appointed home in the bucolic countryside complete the portrait of a comfortable, morally upright household. But there are elements of Siem's past that threaten to upend the peace and stability that he has achieved, and when he stumbles upon a deception that 's painfully close to home, things begin to fall apart. A cataclysmic explosion in a fireworks factory, the advent of internet pornography, and the reappearances of a discarded, dangerous son all play a terrible role in the spectacular fragmentation of the Sigerius clan. A riveting portrait of a family in crisis and the ways that even the smallest twists of fate can forever change our lives, Bonita Avenue is an incendiary, unpredictable debut of relationships torn asunder by lies, and minds destroyed by madness.

A darkly hilarious tale of a model family's disintegration. Professor Siem Sigerius - maths genius, jazz lover, judo champion, Renaissance man. When Aaron meets his girlfriend Joni's family for the first time, her multitalented father could hardly be a more intimidating figure, but somehow the underachieving photographer manages to bluff his way to a friendship with the paterfamilias. With his feet under the table at the beautiful Sigerius farmhouse, Aaron feels part of the family. A perfect family. Until, that is, things start to go wrong in a very big way. A cataclysmic explosion in a firework factory, the advent of internet pornography, the reappearance of a forgotten murderer and a jet-black wig-all play a role in the spectacular fragmentation of the Sigerius clan... and of Aaron's fragile psyche. "Great European art: the Dutchman Peter Buwalda explodes the bourgeois family saga. The narrative pyrotechnics alone are a tour de force." Die Zeit "Peter Buwalda's impressive family saga is a genuine page-turner, with a forceful, precise style. The author races with unstoppable speed towards the finish, without getting entangled in the numerous gripping narrative strands, without even steering out of the curve." Libris-Prize Jury Report, 2011 "Buwalda's debut novel [is] daring in its linguistic power and freedom, and impressive, even frightening, in its psychological sharpness and precision ... great and outrageous." Frankfurter Rundschau

This compelling novel takes the reader into the tumultuous period of the Renaissance and the origins of Leonardo da Vinci, the bastard child of a notary. Of da Vinci, the eminent art historian Kenneth Clark wrote, "no more complex and mysterious character ever existed than this Hamlet of art history." Clark noted that one had to be "familiar with all of Leonardo's writings in their chronological order (and) the state of learning in the Renaissance to judge Leonardo's progress in relation to that of his contemporaries." This compelling novel takes the reader into the tumultuous period of the Renaissance and the origins of Leonardo da Vinci, the bastard child of a notary. Of da Vinci, the eminent art historian Kenneth Clark wrote, "no more complex and mysterious character ever existed than this Hamlet of art history." Clark noted that one had to be "familiar with all of Leonardo's writings in their chronological order (and) the state of learning in the Renaissance to judge Leonardo's progress in relation to that of his contemporaries."

Lydia Netzer, the award-winning author of *Shine Shine Shine*, weaves a mind-bending, heart-shattering love story that asks, "Can true love exist if it's been planned from birth?" Like a jewel shimmering in a Midwest skyline, the Toledo Institute of Astronomy is the nation's premier center of astronomical discovery and a beacon of scientific learning for astronomers far and wide. Here, dreamy cosmologist George Dermont mines the stars to prove the existence of God. Here, Irene Sparks, an unsentimental scientist, creates black holes in captivity. George and Irene are on a collision course with love, destiny and fate. They have everything in common: both are ambitious, both passionate about science, both lonely and yearning for connection. The air seems to hum when they're together. But George and Irene's attraction was not written in the stars. In fact their mothers, friends since childhood, raised them separately to become each other's soulmates. When that long-secret plan triggers unintended consequences, the two astronomers must discover the truth about their destinies, and unravel the mystery of what Toledo holds for them—together or, perhaps, apart. Lydia Netzer combines a gift for character and big-hearted storytelling, with a sure hand for science and a vision of a city transformed by its unique celestial position, exploring the conflicts of fate and determinism, and asking how much of life is under our control and what is pre-ordained in the heavens in her novel *How to Tell Toledo from the Night Sky*.

It is 1953. The Korean War is ending. The Eisenhower era is beginning. Patti Page and Frankie Laine sit at the top of the charts. And aspiring cartoonist Michael Devlin, Brooklyn born and bred, is heading south to become a man. Pete Hamill's prose has always been praised for its energy and muscularity. But rarely, if ever, has he achieved the tough-and-tender lyricism and imagistic power of his sensual new novel, *Loving Women*. When Michael arrives at the U.S. Navy supply base in Pensacola, Florida, he is immediately plunged into a world he's never before encountered or imagined. Sensitive, street-smart, but wildly naive about the sadistic terrors of the service and the bigotry of the Deep South, he thrashes through a baptism of frustration and despair - until he meets Eden Santana. Eden is everything he's ever dreamed of: older, wiser, nonplussed by his ingenuous ways - the perfect instructor for a Catholic virgin in the art of lovemaking, in sexual pleasure, confidence and courage. Though their steamy passion is destined to dissipate, there is no way Michael can prepare himself for the circumstances under which his enigmatic lover disappears. Their heartbreaking parting becomes entwined with frightening secrets about each other, the South and the friends they make along the way. As compelling in narrative drive as it is utterly convincing in mood and tone, *Loving Women's* cinematic immediacy and haunting storytelling signify Pete Hamill writing at the top of his talent.

The blistering, compulsively readable new novel from Herman Koch, author of the instant New York Times bestseller *The Dinner*. When a medical procedure goes horribly wrong and famous actor Ralph Meier winds up dead, Dr. Marc Schlosser needs to come up with some answers. After all, reputation is everything in this business. Personally, he 's not exactly upset that Ralph is gone, but as a high profile doctor to the stars, Marc can't hide from the truth forever. It all started the previous summer. Marc, his wife, and their two beautiful teenage daughters agreed to spend a week at the Meier 's extravagant summer home on the Mediterranean. Joined by Ralph and his striking wife Judith, her mother, and film director Stanley Forbes and his much younger girlfriend, the large group settles in for days of sunshine, wine tasting, and trips to the beach. But when a violent incident disrupts the idyll, darker motivations are revealed, and suddenly no one can be trusted. As the ultimate holiday soon turns into a nightmare, the circumstances surrounding Ralph 's later death begin to reveal the disturbing reality behind that summer 's tragedy. Featuring the razor-sharp humor and acute psychological insight that made *The Dinner* an international phenomenon, *Summer House with Swimming Pool* is a controversial, thought-provoking novel that showcases Herman Koch at his finest.
