Pimsleur Italian is primarily an audio-based course for learning foreign languages. It uses a sort of call and response approach to learning where the user is presented with a phrase in Italian along with its translation and repeats after the audio. Pimsleur focuses on speaking, listening, and a good deal of pronunciation.

Pimsleur language courses have somehow or other got good reviews everywhere - on the basis of this segment of the Italian course, I have no idea why. The entire course consists of the learner playing the part of a man trying to pull a "young woman", constantly begging her to drink "something" or eat "something" with him "NOW" or at all times of day and night.

The Pimsleur® Method has worked for millions all over the world. Totally portable; simple to use; Pimsleur works so you don't have to. This Italian course includes all of Phases 1,2, and 3 – 45 hours of spoken language practice and 3 hours of reading instruction. With this product you start from zero, learning first survival phrases and vocabulary, and eventually progressing to a high-intermediate level of speaking and understanding Italian. Every lesson contains an introductory conversation and isolated vocabulary and structures, as well as full practice of all vocabulary introduced. The emphasis is on pronunciation and comprehension, and on learning to speak Italian. At the completion of this course, you'll speak confidently using your wide-ranging vocabulary, and experience the language and culture with a deepening insight into a new world. Reading Lessons are included at the end of Unit 30 for each Phase. These lessons, which total about three hours, are designed to first give you practice sounding out Italian, then to progress to reading for meaning. They also provide extensive additional vocabulary. Before you know it, you'll be reading Italian with the ease and flexibility of a native speaker. A PDF file containing the combined Reading Booklets to be used with the audio lessons is included. About the Italian Language Italian is the official language of Italy and San Marino, and an official language of Switzerland, Croatia, and Slovenia. It is spoken by about 58 million in Italy, 24,000 in San Marino, 840,000 in Switzerland, another million in other European countries, and 5 million in North and South America.

When a government official dies on the operating table, the president calls in the computer cops. On Venus, a radical exile escapes from a maximum-security prison, pledging to return to Washington and assassinate the president. Transport between Earth and the solar colonies is tightly regulated, but the exile knows a shortcut: the top-secret transvection machine, an experimental device that could theoretically be used to teleport men from planet

to planet. Vander Defoe, the tool's creator, is busy securing it when he feels a pain in his stomach: His appendix is about to explode. Defoe dies in the operating room during routine computerized surgery, and the case falls in the lap of the Computer Investigation Bureau, which has jurisdiction over all computer-related crimes. As the team tries to determine who corrupted the system that killed Defoe, it finds that in this case, all roads lead to Venus.
