Polytechnic 4th Semester Production Technology Question Papers

This book provides a comprehensive and in-depth description of the education system in Lao PDR. It covers pre-school, primary, secondary general, secondary technical and vocational, post-secondary non-higher education, and adult non-formal education and training. In addition to the main content, the book includes a glossary of terms and abbreviations used; and an appendix on the organizational structure of the Ministry of Education and Sports, including the linkages between the national, provincial and district level. The content covers public and private sector education provision alike.

Manufacturing Engineering Education includes original and unpublished chapters that develop the applications of the manufacturing engineering education field. Chapters convey innovative research ideas that have a prodigious significance in the life of academics, engineers, researchers and professionals involved with manufacturing engineering. Today, the interest in this subject is shown in many prominent global institutes and universities, and the robust momentum of manufacturing has helped the U.S. economy continue to grow throughout 2014. This book covers manufacturing engineering education, with a special emphasis on curriculum development, and didactic aspects. Includes original and unpublished chapters that develop the applications of the manufacturing engineering education principle Applies manufacturing engineering education to curriculum development Offers research ideas that can be applied to the work of academics, engineers, researchers and professionals
