~~Poverty - Robert Green - 9781602791268~~

Get this from a library! Poverty. [Robert Green] -- Provides a global perspective on the topic of poverty, explaining how poverty is measured, the effects of poverty, and what is being done to address the problem.

How do you measure poverty? What are the effects of poverty? What can we do to prevent poverty? Learn about poverty and its many faces around the world and to start thinking about what you can do about this global social problem.

Discusses the causes of poverty and the need to make changes, including information on education, global trade, health care, and child labor.

Presents the issue of overpopulation, discussing the effect that population growth has had on food supply, water resources, urban housing, sanitation and hygiene, healthy care, and the standard of living in different countries throughout the world.

Offers a look at the causes and effects of poverty and inequality, as well as the possible solutions. This title features research, human stories, statistics, and compelling arguments. It discusses about the world we live in and how we can make it a better place.

Who pays for schools? Does everyone have the right to a good education? What is a good education? These are just a few of the questions that leaders around the world must answer. Start learning and thinking about education as something more than textbooks, teachers, and homework.

What is a watershed? Why are watersheds important? What is it like to live where there is no clean, safe water supply? Read this book to find out more about the importance of watersheds and how you can help in the fight to keep Earth's freshwater sources clean and safe.

What is a pandemic? What diseases are likely to cause a pandemic? How can the spread of a disease be stopped? Find out about how a disease reaches pandemic proportions and start thinking about what people can do to stop the spread of deadly diseases.

Should scientists manipulate genes to create new varieties of food? Is genetically modified food safe to eat? How can we grow enough food to feed all the world's people? Read this book to find out more about genetically modified foods and what people around the world think about them.

What are women's rights? Don't all women have the same rights as men? What are the consequences of gender inequality? Find out more about the legal and cultural practices that foster inequality and start thinking about what you think should be done to confront the issue.

What is terrorism? Why do people commit acts of terrorism? What can be done to stop terrorists? Find out more about why people commit acts of violence against innocent people and start forming your own opinions about what should be done to address this worldwide threat.
