Qhy5 Autoguider Price - blazingheartfoundation.org

I bought the QHY5 for autoguiding my astrophotos, but since it is also capable of capturing images of brighter astronomical objects, I gave it a try as a camera for lunar imaging. A few weeks ago our association (VAA) bought a Imaging Source DMK21 camera especially for lunar and planetary imaging.

Camera comparison QHY5 / DMK21

QHYCCD designs and manufactures world-leading astronomical cameras, ranging from entry-level to professional, CMOS and CCD, front-illuminated and back-illuminated, specially crafted for amateur and professional astronomers worldwide.
