Project Gutenberg (named after the printing press that democratized knowledge) is a huge archive of over 53,000 books in EPUB, Kindle, plain text, and HTML.

Rational Numbers Enrichment Activity

Students walk around the room and when the music stops, they stand on a plate. Then, they have to explain why their number is rational or irrational. You randomly choose students to do the explaining and they win a small prize. One thing I love about this activity is that students get to walk around the room. It makes for a great brain break.
