If today ' s believers only knew the spiritual power for breakthrough that comes through fasting, they would practice it more! A breakthrough is a sudden spiritual burst that pushes us beyond our limitations and into deliverance and freedom. Many Christians are struggling with a need for guidance, deliverance from long-term issues, and answers to perplexing circumstances—and they desperately need breakthroughs. Furthermore, as the second coming of the Lord draws near, we are dealing with demonic powers that have never before been seen on the earth. Our need to pray and fast has intensified, because this is the only way we can be prepared to confront these destructive powers. Now is the time to press through to breakthrough by developing a lifestyle of fasting and prayer! Learn what fasting is, the different types of fasts and their benefits, and how to fast effectively. Fasting is one of the keys to entering the presence of God. Allow God to deliver you, transform you, and use you as a vessel of His supernatural power in the world as you discover how to enter into a Breakthrough Fast. “ Your Father who sees [your fasting] in secret will reward you openly. ” —Matthew 6:18

You are no accident. Your presence on this earth is not a mistake. Neither is it insignificant. On the contrary, you are wanted here—and needed! You are a creation of God with a unique purpose. Many people " do " things to try to gain acceptance by others, so that they can " be " someone. They become slaves to public opinion and never really know who they were meant to be. When we know that we are God ' s beloved children, chosen from the foundation of the world, and discover who He designed us to be, we will think and act from that perspective. Everything else will develop from our identity and existence in Him. That identity goes beyond even our personal purpose to God ' s eternal plans for the world and our exciting role in them. God created all human beings to have dominion over the earth. And He has assigned each of us a portion of " territory " where we can exercise the measure of our dominion on earth. This dominion is based on the faith, anointing, and gifts He has given us. Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom. This " territorial " power is not merely symbolic. It is a reality in which we must live. The territory in which we are to be fruitful is not random or general but specific. In Created for Purpose, you will discover God ' s plan for your life as a loved and valuable member of His creation, what it means to be called by God, and how to know and live in your purpose throughout your life. You are not an accident. You are present on this earth for a significant reason. Find out who you were meant to be!

Jesus Christ is the most famous person who ever lived. Most people know His name, but they don ' t really know who He was or what was He like. If He truly was a Savior, as some say, in what way does that reality affect us today? And why should we believe in Him? As Jesus lived and ministered on earth, He taught on topics such as: What is truth? What is the meaning of life? What is love? What is my purpose? What is my future? In this book, as you explore the unique life and teachings of Jesus Christ, you will also be introduced to contemporary people from various backgrounds who tell how and why they came to believe in Jesus—and the difference He is making in their lives today.

Shakings, Signs, and the Return of Christ You are mentioned in biblical prophecy. You may not be mentioned by name, but you are included there. End-times prophecies speak of faithful followers of Jesus—called the " remnant " —who are ready for the last days and His return, but they also speak of those who are unprepared or fall away before His appearing. Which prophecy will you fulfill? Jesus Is Coming Soon: Discern the End-Time Signs and Prepare for His Return will help you be certain you are part of God ' s remnant. The signs of the end of the age and Jesus ' s appearing are evident in the physical and spiritual worlds. But most people, including Christians, have not recognized them. What signs has God given to announce the culmination of His purposes for the world? How can we discern them? How can we prepare? This book will unfold: The reason for the unprecedented natural and spiritual shakings in our world What the signs tell us, including unusual signs such as blood moons How God works according to seasons, eras, and the fullness of time How Jewish feasts point to the ages of man, accurately showing us God ' s time clock Which imminent biblical signs and promises have yet to be fulfilled The judgments God is bringing to the earth God has given prophecies concerning Israel, the church, and the world. And His Spirit is disclosing His last-days purposes right now. We need to know how to receive the vital revelation and prophetic knowledge He wants to share with His people. When we have this foreknowledge, we can understand the times and prepare for His final plans for the earth. God intends the church to be a community of hope, revival, and supernatural power in the midst of dark times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Instead, you can know your true position in God before Christ ' s appearing. You can be joyfully prepared, watching and waiting in expectation, with your spiritual eyes open. Live in God ' s perfect will for your life and participate in His supernatural, last-days purposes!

Experience Heaven on Earth in a Tangible Way The kingdom of God is... A supernatural kingdom A kingdom of power, not just words. A kingdom whose reality can be experienced here and now. Jesus said, " The kingdom of God is within you " (Luke 17:21). God ' s kingdom is His will exercised on earth as it is in heaven. It expands its influence in this world through the supernatural work of the Holy Spirit in the lives of believers—like you and me. When Jesus returned to heaven, He activated the church to continue expanding His kingdom in each succeeding generation of believers. We are the vessels through which God extends His kingdom to our communities and nations! Wherever God ' s kingdom rules on earth, it is visibly demonstrated. Jesus manifested the power of the kingdom with tangible miracles, signs, healings, and deliverances. Each time He announced the good news of the kingdom, sin, sickness, demons, poverty, and death could not remain. The kingdom is a reality today—not just in the future—and it may be applied to each circumstance we encounter in life. The kingdom has everything we need: righteousness, healing, wholeness, prosperity, and joy. In The Kingdom of Power: How to Demonstrate It Here and Now, you will discover how to enter God ' s kingdom, receive its benefits, and expand its dominion throughout the earth. The kingdom of God is within you. The only thing you need to do is to demonstrate it here and now!
