Selfish Reasons to Have More Kids: Why Being a Great ...

"Selfish Reasons to Have Children" more or less makes the following argument: (1) Modern day parents make parenting costlier than it has to be (in terms of time, energy, money, and worry). (2) They don't need to do this because, as the research shows, the way you parent doesn't really influence the way your kids

About the author. Selfish
Reasons to Have More Kids
examines the demands of
modern parenting and why
people today are choosing to
have fewer and fewer kids.

The author argues that this
trend is due to modern
parents placing too high
expectations on themselves,
even when a far more relaxed
style of parenting would get
the job done just as well
and make the whole
experience more enjoyable.

SUMMARY Adoption studies
indicate that differences in
parenting styles have mostly
small impacts on long term
life outcomes of children,
such as happiness, income,
intelligence, health, etc..
This means that parents can
put less effort into
parenting without hurting
their children's futures.
