The manual describes the general strategy for the U.S. Marines but it is beneficial for not only every Marine to read but concepts on leadership can be gathered to lead a business to a family. If you want to see what make Marines so effective this book is a good place to start.

Our nation faces daunting challenges. Sometimes the threat of terrorism or disaster comes from within. 1) Have you ever wondered who terrorists really are and what motivates them? 2) Are you aware of the measures our government has taken to prevent terrorism? 3) What are the protocols in place to assist when disaster strikes? 4) What part has racism and racial profiling played in antiterrorism? 5) What is Posse Comitatus? The Current Fight Within is a resource for anyone interested in the many facets of how terrorism affects America. It provides answers to many difficult questions to improve readers basic knowledge of major concerns our country faces. America only becomes as strong as the people defending it. You do not have to be in the military, law-enforcement, emergency services or in politics to make America strong. We can all make a difference to protect our nation simply by becoming more educated in antiterrorism. Edward Ackley draws on years of personal experience in antiterrorism, law enforcement, and infantry from his career in the Marine Corps as well as his dedicated service to firefighting, and combines it with sound research to provide this informative, fascinating, easy to read book.

The Balkan Trilogy is the story of a marriage and of a war, a vast, teeming, and complex masterpiece in which Olivia Manning brings the uncertainty and adventure of civilian existence under political and military siege to vibrant life. Manning ' s focus is not the battlefield but the café and kitchen, the bedroom and street, the fabric of the everyday world that has been irrevocably changed by war, yet remains unchanged. At the heart of the trilogy are newlyweds Guy and Harriet Pringle, who arrive in Bucharest—the so-called Paris of the East—in the fall of 1939, just weeks after the German invasion of Poland. Guy, an Englishman teaching at the university, is as wantonly gregarious as his wife is introverted, and Harriet is shocked to discover that she must share her adored husband with a wide circle of friends and acquaintances. Other surprises follow: Romania joins the Axis, and before long German soldiers overrun the capital. The Pringles flee south to Greece, part of a group of refugees made up of White Russians, journalists, con artists, and dignitaries. In Athens, however, the couple will face a new challenge of their own, as great in its way as the still-expanding theater of war.

After the burned body of mixed-blood boy Johnnie Sanders is discovered in 1878 Dodge City, Kansas, part-time policeman Wyatt Earp enlists the help of his professional-gambler friend Doc Holliday, in a novel that also features Doc's girlfriend, the Hungarian prostitute Kate Katarina Harony. Reprint. A best-selling novel.

Warfighting should help the Marine Commander and troop prepare mentally, physically, both externally, and internally for combat action. It covers the distinct levels of war -- strategic, operational, and tactical, conduct of war, and types of warfare. Every Marine Corps officer should understand and apply the principles to understand the demands of war, theory of war, including the foundations, preparation and actively engagin within war. This guide provides authoritative guidance for the completion of this war task as a key method to instill successful outcomes and strategic battlefield dynamic development within the nature of the war environment. Dedicated to the Sailors and Marines who lost their lives on the final voyage of USS Indianapolis and to those who survived the torment at sea following its sinking, plus the crews that risked their lives in rescue ships. The USS Indianapolis (CA-35) was a decorated World War II warship that is primarily remembered for her worst 15 minutes. . This ship earned ten (10) battle stars for her service in World War II and was credited for shooting down nine (9) enemy planes. However, this fame was overshadowed by the first 15 minutes July 30, 1945, when she was struck by two (2) torpedoes from Japanese submarine I-58 and sent to the bottom of the Philippine Sea. The sinking of Indianapolis and the loss of 880 crew out of 1,196 --most deaths occurring in the 4-5 day wait for a rescue delayed --is a tragedy in U.S. naval history. This historical reference showcases primary source documents to tell the story of Indianapolis, the history of this tragedy from the U.S. Navy perspective. It recounts the sinking, rescue efforts, follow-up investigations, aftermath and continuing communications efforts. Included are deck logs to better understand the ship location when she sunk and testimony of survivors and participants. For additional historical publications produced by the U.S. Naval History and Heritage Command, please check out these resources here: https://bookstore.gpo.gov/agency/naval-history-heritage-command Year 2016 marked the 71st anniversary of the sinking and another spike in public attention on the loss -- including a big screen adaptation of the story, talk of future films, documentaries, and planned expeditions to locate the wreckage of the warship.

A history of Killeen, Texas, written by Gerald D. Skidmore, who was managing editor of the Killeen Daily Herald for 42 years and worked 13 years for the Killeen Chamber of Commerce.
