Review by Julie Heginbotham. As the title states, this story is about Shadow, a sheep dog, born on the farm from one of the other sheep dogs. Her name was Jessie and she had three pups, two were sold, and the third was also sold, but kept returning to the farm, and so the son of the farmer, a boy called Johnny was allowed to keep the pup, providing the dog worked for his living, as did the other dogs on the farm.

Joelle D'Angelo's best friend, Mara, is left with brain damage after she suffers an aneurysm giving birth to her son. Alone and grieving, Joelle turns to the only other person who understands her pain: her colleague—and Mara's husband—Liam. What starts out as comfort between friends gradually becomes something more...something undeniable. Torn by guilt and the impossibility of her feelings for Liam, Joelle sets out determined to find help for Mara, no matter how unconventional the source. Her search leads her to a mansion in Monterey, California, and into the life of a woman shrouded in mystery. Carlynn Kling Shire is a healer and, according to Joelle's parents, saved Joelle's life when she was an infant. As Joelle is guided down an unfamiliar path by a woman keeping her own shocking secrets, she discovers that while some love is doomed, some love is destined to survive anything. Previously published as Cypress Point

Get swept up in the continuing emotional saga of Kiss River in this final compelling instalment of the Keeper of the Light trilogy, from New York Times bestselling author Diane Chamberlain. Annie A loving mother and wife, Annie O'Neill was the heart of the small community of Kiss River. But her generous nature hid a darker side that remained secret for years after her tragic death. Lacey When Lacey O'Neill finally learns the shattering truth about the mother she's spent a decade emulating, the foundation of her life begins to crumble. Then her close childhood friend dies, leaving her teenage daughter, Mackenzie, in Lacey's care, and Lacey unwillingly finds herself in the role of mother. Mackenzie Uprooted by her mother's death, Mackenzie resents her new home of Kiss River. She wants nothing to do with the father who never knew she existed—and especially not her mother's oldest friend. But the person who could understand her best might be the one she resents most: Lacey. Originally published in 2004

Patch is a good dog. At least he tries to be—but sometimes he finds it hard to remember commands or resist chasing rabbits. Three very short stories of a boy and his dog are combined in this adorably illustrated picture book that honors the special bond between dogs and their people and between friends of all species.

Follows the story of Lass, who is transformed from a believed-worthless and untrainable animal into a valuable sheepdog by a man's love, explaining how Lass's story reflects the transforming love of God.

The Great Reawakening introduced magic into an already volatile world. Many of those with newfound powers have been conscripted by the US Army, but when the barriers between our reality and the source of this magic starts to fall, they will have to decide who they are really fighting for.

The third installment in Jasper Fforde's New York Times bestselling series follows literary detective Thursday Next on another adventure in her alternate reality of literature-obsessed England—from the author of The Constant Rabbit Jasper Fforde has done it again in this genre-bending blend of crime fiction, fantasy, and top-drawer literary entertainment. After two rollicking New York Times bestselling adventures through Western literature, resourceful BookWorld literary detective Thursday Next definitely needs some downtime. And what better place for a respite than in the hidden depths of the Well of Lost Plots, where all unpublished books reside? But peace and quiet remain elusive for Thursday, who soon discovers that the Well is a veritable linguistic free-for-all, where grammassites run rampant, plot devices are hawked on the black market, and lousy books—like the one she has taken up residence in—are scrapped for salvage. To make matters worse, a murderer is stalking the personnel of Jurisfiction and it's up to Thursday to save the day. A brilliant feat of literary showmanship filled with wit, fantasy, and effervescent originality, this Ffordian tour de force will appeal to fans of Douglas Adams and P. G. Wodehouse.
