Brief Summary by Fiona

Brough: After a fire at their home, Cyril, Melisande and Roderick are hastily sent to stay with their aunt, uncle and cousins on their farm. **Again** Six Cousins Again Review by Keith Robinson (October 22, 2006) Following on directly from Six Cousins at Mistletoe Farm, this sequel deals with Cyril, Melisande and Roderick's move into nearby and newly-acquired Holly Farm. They have a good look about the place beforehand, and like what they see, but it's while they're at school that the furniture arrives and everything gets put in place.
