Like the other members of the newly formed Spartoi unit, Maka and Soul undergo rigorous training, probing the boundaries of Soul's hard-won new potential as a weapon. FAMILY REUNION The battle at Vulcan 's workshop continues, and Shinra finds himself face-to-face with his long-lost brother, Sh . Shinra is determined to keep the promise he made to his mother, but Sh has other plans: He orders his knights to destroy Company 8 and take Shinra back to the Evangelist with them!

Deep in the belly of Baba Yaga Castle, Maka, Soul, and Medusa prepare to face Arachne in her own chambers. Arachne has grown even stronger since their last meeting, and even the crafty Medusa is caught in her sister's twisted web. As Arachne's intense madness threatens everyone in and around the castle, Soul must perform a string concerto that will move his audience to their very souls...or be caught in the witch's net himself!

Crona's crimes have become too terrible to ignore, and the troubled youth is added to Shinigami's list. Hoping to reach her friend first, Maka extends her soul perception ability to engulf the entire planet. But the sweep delivers even more than she had bargained for--the location of the Kishin's hideout!

Kid's sense of order stands in sharp contrast to the unpredictable madness of the Kishin. But order and madness are two sides of the same coin. When Asura challenges the "tyrannical" Shinigami and his laws that serve to control humans' lives, Kid can feel the tendrils of madness within himself seeking purchase. The bonds of his friendships and his faith in order are tested to their limits as Asura makes his final stand against the forces of DWMA. When the moon dust settles, who will emerge as lord of this world--Shinigami or Kishin?

Maka is a weapon meister, determined to turn her partner, a living scythe named Soul Eater, into a powerful death scythe - the ultimate weapon of Death himself! Charged with the task of collecting and devouring the tainted souls of ninety-nine humans and one witch, Maka and her fellow meisters strive to master their weapons as they face off against the bizarre and dangerous minions of the underworld. But the meisters' own personal quirks may prove a bigger obstacle than any sultry enchantress!

As Kid struggles against the madness deep in the Book of Eitbon, a group of Spartoi members race to rescue their friend. Through page after page of Lust, Gluttony, and Envy, the students must conquer the seduction of their own fears and desires to reach the final chapter! Will their efforts be enough to give this tale a happy ending?!

The enemy of my enemy is...still my enemy?! As the madness of the Kishin continues to threaten the world, Noah and Medusa race to find Asura and ally themselves with him. With Noah reliant on demon tools and Medusa on her experimental black blood, DWMA must devise ways to combat both evils while trying to seek and destroy Asura themselves!

When 'BREW' activates in the middle of his battle with Mosquito, Death the Kid's soul wavelength is amplified to a whole new level! But once Mosquito has recovered from the shock of seeing the real "BREW" in action, he redoubles his efforts to destroy the young shinigami before the intruders from DWMA unlock the way to the Spider Queen Room. Will Kid's awakened power be enough to defeat Mosquito's deadly form?!
