"Gentry and Ouellette are cannonballing into the reading research pool, they're making waves, and these waves are moving the field of reading forward."

--From the foreword by Mark Weakland, *Super Spellers* The past two decades have brought giant leaps in our understanding of how the brain works. But these discoveries--and all their exciting implications--have yet to make their way into most classrooms. With the concise and readable *BrainWords*, you will learn how children's brains develop as they become readers and discover ways you can take concrete steps to promote this critical developmental passage.

Introducing their original, research-based
