A paperback edition of E.B. White's classic novel about one small mouse on a very big adventure! With black and white illustrations. Stuart Little is no ordinary mouse. Born to a family of humans, he lives in New York City with his parents, his older brother George, and Snowbell the cat. Though he's shy and thoughtful, he's also a true lover of adventure. Stuart's greatest adventure comes when his best friend, a beautiful little bird named Margalo, disappears from her nest. Determined to track her down, Stuart ventures away from home for the very first time in his life. He finds adventure aplenty. But will he find his friend?

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of ‘ Women and Fiction ’ ; she spoke about her conviction that ‘ a woman must have money and a room of her own if she is to write fiction ’ . The following year, the two speeches were published as A Room of One ’ s Own, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women ’ s independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. ‘ Brilliant interweaving of personal experience, imaginative musing and political clarity ’ — Kate Mosse, The Guardian ‘ Probably the most influential piece of non-fictional writing by a woman in this century.’ — Hermione Lee, The Financial Times

Tools and Insights for Meeting and Exceeding the Common Core Standards Literacy and the Common Core offers K–12 teachers clear guidance on how to design units, lessons, and objectives to meet the Common Core State Standards in English Language Arts: it ’ s filled with practical strategies that teachers can use immediately to target key standards; and it describes how to analyze the standards to support instructional planning and curriculum development. This book aims to make life a little easier for everyone—teachers, school leaders, parents, and students—as we all strive to prepare students for college and the careers they most desire. The book includes practical tools, templates, and rubrics ready to be downloaded and customized to meet your needs. Additional resources may be found on the companion site, www.literacycookbook.com. Here are just a few of the essential topics addressed: Which standards to start with and how to tackle them How to bridge the gap when students are not on grade level How to engage and support parents How to teach students to write effectively How to translate the standards for actual use Take the recipes in this book, make them your own, and enjoy your new “ Common Core Master Chef ” status!

"Sadie: a novel for readers of any age, and a character as indelible as a scar. Flat-out dazzling." —A. J. Finn, #1 New York Times bestselling author of The Woman in the Window A New York Times bestseller! An Edgar Award Winner! Appearing on over 30 Best Book of 2018 lists including The Boston Globe, Bustle, Buzzfeed, Globe and Mail, Good Morning America, NPR, Publishers Weekly, and more! A YALSA Top 10 Quick Pick 4 Starred Reviews from Kirkus, School Library Journal, Booklist, Publishers Weekly! 'Sadie: a novel for readers of any age, and a character as indelible as a scar. Flat-out dazzling." —A. J. Finn, #1 New York Times bestselling author of The Woman in the Window 'Sadie is an electrifying, high-stakes road trip. Clear your schedule. You're not going anywhere until you've reached the end.' —Stephanie Perkins, New York Times bestselling author of There's Someone Inside Your House and Anna and the French Kiss 'A haunting, gut-wrenching, and relentlessly compelling read.' —Veronica Roth, #1 New York Times bestselling author of Carve the Mark and the Divergent Series A missing girl on a journey of revenge. A Serial—like podcast following the clues she's left behind. And an ending you won't be able to stop talking about. " Today, WNRK is launching the first episode of our new serialized podcast, The Girls, created and hosted by West McCray. " When popular radio personality West McCray receives a desperate phone call from a stranger imploring him to find nineteen-year-old runaway Sadie Hunter, he ’ s not convinced there ’ s a story there; girls go missing all the time. But when it ’ s revealed that Sadie fled home after the brutal murder of her little sister, Mattie, West travels to the small town of Cold Creek, Colorado, to uncover what happened. Sadie has no idea that her journey to avenge her sister will soon become the subject of a blockbuster podcast. Armed with a switchblade, Sadie follows meager clues hoping they ’ ll lead to the man who took Mattie ’ s life, because she ’ s determined to make him pay with his own. But as West traces her path to the darkest, most dangerous corners of big cities and small towns, a deeply unsettling mystery begins to unfold—one that ’ s bigger than them both. Can he find Sadie before it ’ s too late? Alternating between Sadie ’ s unflinching voice as she hunts the killer and the podcast transcripts tracking the clues she ’ s left behind, Sadie is a breathless thriller about the lengths we go to protect the ones we love and the high price we pay when we can ’ t. It will haunt you long after you reach the final page.

#1 New York Times Bestseller Over 1 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we ’ ve been told that positive thinking is the key to a happy, rich life. F"“k positivity," Mark Manson says. "Let ’ s be honest, shit is f"“ked and we have to live with it." In his wildly popular Internet blog, Manson doesn ’ t sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F"“k is his antidote to the coddling, let ’ s-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f"“k about so we need to figure out which ones really matter. Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor. The Subtle Art of Not Giving a F"“k is a refreshing slap for a generation to help them lead contented, grounded lives.

The bestselling coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers.

Green-Light Your Book is a straight-shooting guide to a changing industry. Written for aspiring authors, previously published authors, and independent publishers, it explains the ever-shifting publishing landscape and helps indie authors understand that they ’ re up against the status quo, and how to work within the system but also how to subvert the system in order to succeed. Publishing expert and independent publisher Brooke Warner is fearless in her critique of an industry that ’ s lost its mandate, and in so doing has opened the door wide for indie publishers to thrive. While she does not shy away from calling out the bias against indie authors, she also asserts that it ’ s never been a more exciting time to be in book publishing—and her passion and enthusiasm are contagious. “ If you ’ re going to green-light your work, you have to wow.” Warner writes. But to surpass expectations, you also need to be a student of publishing and to be able to hold your own with book buyers, event coordinators, librarians, wholesalers, distributors, and reviewers. Green-Light Your Book seeks to equip authors and publishers with the language, knowledge, and skill sets they need to play big.

How to Sell Your Memoir: 12 Steps to a Perfect Book Proposal offers memoirists an easy-to-follow formula to create a winning book proposal that will attract agents and editors. Brooke Warner is a former acquiring editor and current publisher who breaks the nonfiction proposal into three editorial components and three marketing components. This ebook includes a section about platform—and an explanation of why memoirists need one and how they can build one—as well as real samples from authors who have sold their memoirs to traditional publishers off their proposals. Find easy-to-follow templates and smart tips for navigating agents and publishers, along with best practices memoirists can ’ t afford not to know!

The Awakening by Kate Chopin from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. “ She was becoming herself and daily casting aside that fictitious self which we assume like a garment with which to appear before the world. ” Kate Chopin, The Awakening The Awakening by Kate Chopin is a masterpiece of early feminist fiction telling the story of a woman who finally decides to decide her own fate.
