Sighting Opportunities. : Select your location. Spot The Station will give you a list of upcoming space station sighting opportunities for your location. Several times a week, Mission Control at NASA ' s Johnson Space Center in Houston, TX, determines sighting opportunities for over 6,700 locations worldwide. If your specific city or town isn ' t listed, pick one that is fairly close to you.

ISS sightings over your city | Spot The Station | NASA

Spotting is the players ability to detect and analyze animals within the game. A successful spot draws an outline around an animal for a short period of time allowing the player to easily track it through dense vegetation. Spotting also provides increasingly detailed informations such as species, gender and weight. Earning XP
