Detailed, step-by-step instructions to a number of polymer clay projects.

Mixed media brings lots of new possibilities to polymer clay crafting. Polymer Clay and Mixed Media-Together at Last is about making polymer clay figures-jewelry pieces, focal beads, décor items, knick-knacks-and incorporating beads, fibers, fabrics, glass, stones, etc. to create special effects. Embellishing polymer clay with mixed media adds a sophistication and richness without making the projects complicated or inaccessible to the average crafter.

This book is bursting with leaf, plant, and flower-themed projects. More than that, there's hints, inspirations and design explorations, leading you step-by-step towards new creative destinations. Flourish! It's all about adding that extra touch of drama. You'll dabble with crystals, powders, paints, wire, beads, molds, and other media to make your polymer clay art more interesting. No matter your skill level, add some FLOURISH to your life!

Describes how to make a number of miniature sea creatures from polymer clay, including a sea turtle, a fish, and a starfish.

Lindly Haunani and Maggie Maggio are renowned for their courses and workshops on color as well as for their outstanding polymer clay work. In this book, they offer instruction and inspiration that focuses on polymer clay as a learning tool that readers can use to explore their own color instincts and preferences and develop their own palettes. Each chapter investigates a specific color principle, with the discussion supported by a related exercise, a "studio tool" assignment or demonstration, a polymer clay jewelry project, and a profile of a prominent polymer clay artist. Sample topics include: •The Complexity of Color •Three Properties of Color •Choosing Your Palette •Mixing Colors That Flow •Matching Colors with Precision •Games Colors Play •Orchestrating Color Combinations •Color Composition: Placement and Proportion •Playful Patterns •Tantalizing Textures

Imagine beautiful mosaic pieces with tiles that you easily create yourself! Mixed-Media Mosaics offers a fresh, new approach to a traditional art form. By making your own tiles from polymer clay, you control the size, shape, color and even the texture, resulting in beautiful finished pieces that include tabletops, boxes, jewelry and shrines. In addition to learning traditional tiling techniques such as working with grout and cutting glass tile, you'll also explore creative options for personalizing tiles: • Discover the magic of mica powders and the regal look they can give to mosaics • Learn quick and easy ways of adding paint to handcrafted and commercial tile • See how easy it is to create molds and cast your own relief tiles • Find ways to add personal meaning to your work with the addition of text tiles • Experiment with the addition of beads, jewelry and other embellishments by embedding them right into the tile! Whether you'd like to complete a mosaic tabletop for your patio, a jewelry box as a special gift, or simply experiment with jewelry, you'll find the inspiration you seek in Mixed-Media Mosaics. Start creating your custom mosaic pieces today.

This book provides complete instruction for creating stunning life-like flowers in clay as well as ideas for creating beautiful and long-lasting floral arrangements. 22 unique flower and arrangement projects are divided into seasonal sections, Spring, Autumn, Winter, and Summer, followed by themed projects including bouquets and accessories. The book shows beautiful photography of each arrangement and then offers complete, photographic, step-by-step instruction for each. The amazing projects are full of intricate details and provide both inspiration for polymer clay and mixed-media artists as well as complete instruction.

Everyone can achieve great results with polymer clay. With the 50+ techniques in this book, readers can create polymer clay buttons or boxes or anything in between. Starting with the very basics (such as rolling, baking and gluing), it then moves on to more advanced methods: marbling, texturing, millefiori, bead-making, faux-stone effects and more. Feature spreads show exciting ways to combine techniques. A comprehensive guide to the medium, complete with everything from a listing of necessary tools and materials to inspiring examples of polymer clay art.

First Jack and Ollie try the leafy branches. Then a giant kite. Idea after idea, invention after invention, boy and pig drag them all to the top of the highest hill. Then Ollie runs as hard as ever a pig could run, until his trotters lift from the ground and-Crash! In Sky Pig, Jan Coates weaves a story of sweetness and whimsy, ingenuity and empathy. Plasticine artist Suzanne Del Rizzo brings dimension and energy to the tale of a pig who wants-against all popular truisms-to fly. He may never reach the sky on homemade clockwork wings, but Ollie still dreams as hard as ever a pig can dream. And Jack, a true friend, realizes that just because a pig can't fly in the ways they have tried doesn't mean he can never soar. An uplifting picture book for anyone who has tried and tried again.

Provides instructions for making dragon figures and jewelry out of polymer clay, stones, and beads, and painting and baking them.
