Master your Nexus 10 in just one evening with the latest installment of Erik Marcus' series of Google Nexus tablet guides, updated for the Nexus 10 and the new 4.2 release of Android.You don't need to flounder through a thick and boring manual to become comfortable with your Nexus 10. Everything about your new tablet is so intuitively designed and easy-to-understand that if you ever get stuck you can usually get unstuck with a quick Google search.Where you likely need help, however--especially if you're new to tablets--is becoming acquainted with all the wonderful features and abilities of your Nexus 10. Learn these things and you can start wielding your tablet like a pro. It's safe to say that most Nexus 10 owners never manage to tap into even half the capabilities of their tablets, and if all you're doing with your Nexus is playing a few games and checking email you're missing out in a huge way.The Nexus 10 Guide was written specifically for first-time tablet owners and non-techies. This book will enable you to take full advantage of your Nexus 10 and unlock its remarkable assortment of abilities. And, best of all, you'll find the book to be a quick and entertaining read that you can blast through in just one evening.Now that you've invested \$399 in your Nexus 10, why not throw in another \$10 and two hours of your time so you can really get the most out of your device?

Bicycling magazine features bikes, bike gear, equipment reviews, training plans, bike maintenance how tos, and more, for cyclists of all levels.

Bicycling magazine's resident Fit Chick delivers a weight-loss plan designed to help readers lose 30, 50, or even 100 pounds by riding a bike and eating sensibly. Forget gym memberships and running shoes. The best way to lose weight is on a bike. In Ride Your Way Lean, Bicycling magazine columnist Selena Yeager provides readers with a comprehensive cycling plan that allows them to shed fat, streamline their bodies, and hone their skills on a bike. Cycling is gentle on the joints, easy to do with friends and family, and burns literally thousands of calories without being a bore or cause for suffering. A weight-loss program for people who want to drop pounds of fat while learning a new sport, this book offers training plans that turbocharge metabolism along with complementary nutritional advice. Each chapter is seasoned with anecdotal tips, success stories, pitfalls, and other advice from real people who have ridden themselves lean.

What does it take to launch a career writing for magazines? In this comprehensive, up-to-date introduction to magazine writing, students will learn everything from the initial story pitch all the way through to the final production, taking with them the essential tools and skills they will need for today 's rapidly changing media landscape. Written by a team of experienced writers and editors, Magazine Writing teaches the time-tested rules for good writing alongside the modern tools for digital storytelling. From service pieces to profiles, entertainment stories and travel articles, it provides expert guidance on topics such as: developing saleable ideas; appealing to specific segments of the market; navigating a successful pitch; writing and editing content for a variety of areas, including service, profiles, entertainment, travel, human interest and enterprise Chock full of examples of published works, conversations with successful magazine contributors and bloggers, and interviews with working editors, Magazine Writing gives students all the practical and necessary insights they need to jumpstart a successful magazine writing career.
