"This book offers you an opportunity to internalize and directly experience the great wisdom of the Tao Te Ching, a collection of verses authored by the Chinese prophet Lao-tzu."The words Tao Te Ching translate to 'living and applying the Great Way.' Although just 81 short verses, the Tao encourages you to change your life by literally changing the way you think. By reading through the verses presented here (which I've pieced together after reviewing hundreds of translations)—along with the corresponding affirmation I've created for each verse—you'll be embarking on a path that encompasses the profound ideas that Lao-tzu intended to convey."The Tao Te Ching offers you Divine guidance on virtually every area of human existence. It is a new way of thinking in a world that needs to recapture its ancient teachings. Work with the verses and affirmations regularly and you will come to know the truth behind the ancient Tao observation: When you change the way you look at things, the things you look at change." – Dr. Wayne W. Dyer

Now the text has been given a makeover and this deluxe, gift edition is set to become the market leader, following in the footsteps of the other bestselling Capstone Classic editions. Includes: Paints a picture of a person in full attunement Illustrates how fulfillment and peace, without struggle, can deliver to us what we need and desire An alternative way to view personal success A new introduction by Tom Butler Bowdon, the classic personal development expert

Although translations and interpretations of the Tao te Ching abound and new editions are released yearly, few accomplish the hard work of linking and bridging the Tao's profound message to the needs of modern readers. There may be a profusion of versions, but our lives and our world reflect little of the deep, transformative potential of this important text. Marc S. Mullinax's new translation grows from extensive teaching experience and combines a deep understanding of the Tao's fourth-century BCE Chinese context with an exciting two-part application of that text to contemporary life. First, each of the eighty-one verses is joined by a richly curated array of quotes, sayings, poems, and stories from wisdom traditions around the globe. With quotes ranging from Emerson to Pink Floyd, and from the apostle Paul to Margaret Atwood, the Tao's meaning comes alive in conversation with others. Second, a brief reflection puts the verse in historical context and highlights the transformative power of Wu-Wei, the "non-interfering action, perfectly timed, to promote peace and prevent injury," to bring joy and justice to a hurting world.
