Leaving a dying Earth behind them, the remnants of humanity head towards their new home on a distant planet. However, they never reach it, instead crash landing on a barren and hostile planet that no human was ever meant to survive on. With no water, and no hope, they must find a way to keep the human race alive in the wastelands of Icarus. Mackenzie Miller leaves behind the only life she knows to join the Diviners in their search for water, wandering directly into the greatest dangers Icarus can offer. There's more to worry about on Icarus than just dehydration. When Mackenzie learns what truly lurks in the deserts, dying of thirst is the least of her concerns.

Narnia meets traditional Indigenous stories of the sky and constellations in an epic middle grade fantasy series from award-winning author David Robertson. Morgan and Eli, two Indigenous children forced away from their families and communities, are brought together in a foster home in Winnipeg, Manitoba. They each feel disconnected, from their culture and each other, and struggle to fit in at school and at their new home -- until they find a secret place, walled off in an unfinished attic bedroom. A portal opens to another reality, Askí, bringing them onto frozen, barren grounds, where they meet Ochek (Fisher). The only hunter supporting his starving community, Misewa, Ochek welcomes the human children, teaching them traditional

ways to survive. But as the need for food becomes desperate, they embark on a dangerous mission. Accompanied by Arik, a sassy Squirrel they catch stealing from the trapline, they try to save Misewa before the icy grip of winter freezes everything -- including them.

Military Sci-Fi Adventure Series - The Apex Trilogy chronicles the zombie apocalypse where the dead have mechs. Dead Mech: In a Post Apocalyptic far future, there is only one thing that can save the fragile civilizations humanity has cobbled together: the mechs. A ragtag crew of mech pilots must battle the undead hordes, cannibal tribes, and religious cults in a daily race to keep humanity safe. But now a threat worse than anything has surfaced and is growing stronger. The undead have reanimated in their own battle machines and created the rise of the Dead Mechs! Dead Mech is a zombie filled, post apocalyptic, military scifi, mecha action/adventure novel like no other!

Reviews: "It's mechs. It's zombies. It's zombies in mechs. You already know you're going to buy it. So just get it over with."

-New York Times Bestselling Author Scott Sigler "Even if you're (Like me) kinda over zombies, go get this awesome book." -John, Goodreads review "When I started this book I was already a fan of Jake Bible, but THIS book made me an even bigger fan."- Laura, Goodreads review "Giant fighting Robots +

The Americans: The exciting sidequel to DEAD MECH is a hellride through Europe, Asia and beyond as American Ghost Heather Walton must save her family, her friends, and an all important cargo. The world has survived the North American zombie apocalypse, but Americans struggle to maintain their place in a world where the powers that be no longer want them. And will stop at nothing to put an end to their standing and their very existence!
Reviews: "A very different book from "Dead Mech," but you still have the great characters, non-stop action, and imaginative technologies. I finished it in 2 days (work interrupted me!) And immediately downloaded the final book in the trilogy."- Beth, Goodreads review

The definitive chronicle of the Allied triumph in Europe during World War II, Rick Atkinson's Liberation Trilogy is now together in one boxed set From the War in North Africa to the Invasion of Normandy, the Liberation Trilogy recounts the hard fought battles that led to Allied victory in World War II. Pulitzer Prize-winning and New York Times bestselling author Rick Atkinson brings great drama and exquisite detail to the retelling of these battles and gives life to a cast of characters, from the Allied leaders to rifleman in combat. His accomplishment is monumental: the Liberation Trilogy is the most vividly told, brilliantly researched World War II narrative to date.

The full Faslane Files trilogy, now available as a box set. Deep beneath the bank of a Scottish loch, one hundred men, women and children are beginning a new life. An outpost for the remnants of humanity, their mission is simple: to survive in a world rendered uninhabitable by a giant asteroid. This box set comprises the complete trilogy, three full volumes of claustrophobic drama, action, and suspense. It includes the following books (the entire Faslane Files series): Volume One Six weeks after the world ended, the

survivors from the cruise ship Spirit of Arcadia have installed a small contingent of skilled individuals and families in a Royal Navy bunker. More than just a backup plan for the human race, these volunteers must realise an essential goal. They are to find a way to provide food and fuel for themselves, and for the three thousand other survivors who will one day return in the ship. Brimming with hope and enthusiasm, the new community is raring to make a start. But their new home is not all it seems, and beneath them, a terrible danger is awakening. Volume Two Underground, power is everything. Light, heat, water, even air - the elements of life all depend on electricity. For the colony buried far beneath a remote patch of Scotland, an endless supply is essential. So when the power runs out, the race is on to find more...fast! Volume Three As the Faslane community of end-of-the-world survivors enters its third month, thoughts and hopes turn towards the return of the questing fleet. But the base-dwellers' trials are not over yet. A new enemy emerges from within, threatening to destroy everything they have worked for.

awoken by a brilliant object thundering down from the sky, impacting into the beach far below. In a frenzy, he sprints down the mountain, coming across a large crater in the silvery sand. He reaches in, pulling out a triangular plate made of a strange material, moonlight sliding off of it at strange angles. Conflicted over what to do, Zahn hides the fragment in his room for days. Then, in the middle of the night, Zahn is awoken by a tapping at his window. He opens it, and to his shock, it's a man wearing a silvery uniform. There's more to what Zahn found on the beach than he could have ever imagined, and he's swept up into a galactic adventure with a cryptic captain and a living starship. Along the way, he encounters the Vakragha, a species bent on consuming entire stars. And to Zahn's horror, he learns that they're heading toward his homeworld. Only the Tulari, a stone that can heal the wounds they cut into space, offers any hope. But saving his world isn't all he has to worry about. Just when Zahn lands on a moon stolen by the Vakragha, he makes a breakthrough, finally learning his mother's true fate. Now he is faced with a heartbreaking decision that could either save his world or doom it forever. Action-packed, with a scope as ambitious as Star Wars, **THE TRUTH BEYOND THE SKY** will leave you energized and hungry for more. And the adventure continues with, **The Island on the Edge of Forever:**

When Asha accepts a mission to recover a sacred stone capable of raising the dead, she doesn't expect her ship to be shot down above a raw, untamed world.

To their shock, Asha and her commander Mira are dragged into the planet's wild ocean, and Asha barely manages to escape a vast underwater complex. Once she reaches the surface, she discovers a mysterious island that comes to life with dancing villagers and roaring bonfires every night, only to vanish without a trace each morning, leaving her feeling alone and confused. Meanwhile, Zahn has taken Oonak's ship on a mission to a subterranean labyrinth where Vayuna says he will be needed, learning more about the Vakragha than he ever could have imagined. Yet there are greater struggles ahead for both of them. Having followed Asha, the vicious Vakragha are desperate to find the stone first, bent on using it to revive their greatest mastermind. Time is running out, and Asha must rely on her courage, intuition, and healing skills to have any hope of survival. But she soon discovers that the Vakragha aren't the only ones searching desperately for the sacred stone.... And the adventure continues with **The Mirage on the Brink of Oblivion:**

What if you could hold a memory in the palm of your hand?

In the Mirage, you can. Within the out-of-body state, the Mirage allows everyone to trade memories like souvenirs and create structures that defy physics. And now, after centuries, even the memory of the devastating Vakragha attack on their world has all but been forgotten, and most have lost touch with the physical world altogether. Jyana is different. Driven by her desire to understand the natural world, she dedicates herself to studying the sea below Mirage City. Yet when she finds that the coral reef is being destroyed, no one will take her seriously, not even Torin, whom she loves more than anyone. But Torin has other things on his mind. The colossal structures of the Mirage demand a regular supply of ambrosia, but the shortages are getting worse. In the midst of this confusion, everyone is shocked when a refugee from before the attack returns. Filled with questions, Asha has come with a secret mission which could destabilize the entire planet, causing the end of the Mirage itself.

They took her memories. Now she's their pawn. To find out who stole her past, she must play their game-- but if she fails, she won't make it out alive. The court is divided, and Maea is caught in the center. Although few know

about her gift, her power to see the future makes her a valuable asset. When her vision saves a foreign princess, it exposes her power to the court. Now everyone wants her for their own, and two men vie for her attention. Mysterious courtier Johai might know about her missing memories, and how she lost them, while charming prince Adair is a notorious rogue whom may have hidden motives of his own. They will both do anything to get her on their side. Drawn into a web of courtly intrigue, Maea discovers ties to her forgotten past and uncovers dangerous secrets that threaten the kingdom, and her life. With no one to trust, she's caught in a game of head versus heart and must pick a side. But if she chooses the wrong one, she'll lose her head. become a surrogate mother in order to pay for her mother's escalating medical care costs. Little does she realize the scope of devastation that awaits her. In Plague, the nightmare continues. Amoreena embarks on a good will mission to the Yucatán jungles of southern Mexico. Four years have passed since her involuntary participation in a diabolical transgenic cloning experiment and subsequent narrow escape from the Las Canas research facility buried deep in the Guatemalan rainforests. Unaware she stands on the brink of a global catastrophe of unprecedented magnitude, Amoreena confronts her nemesis from Gargoyles. She unites with her companions from Las Canas and together they must flee for their lives. But this time there is no place to run. No place is safe. Fasten your seat belts, close your eyes, and pray like hell, because the world as we know it is coming to an end! In Resurrection, the world is a changed place. The landscape of humanity has been indelibly altered. Though Amoreena and her team hold the secret to a cure for the deadliest plague to cross the globe in the history of mankind, implementing it will require tremendous luck and a Herculean effort. To survive, Amoreena will confront numerous challenges and obstacles, including the post-apocalyptic mutants that threaten to erase three hundred thousand years of evolution. Will Amoreena's luck hold out long enough for the salvation of mankind? Show more
