The Penguin Book of Card Games is the authoritative up-to-date compendium, describing an abundance of games to be played both for fun and by serious players. Auctions, trumpless hands, cross-ruffing and lurching: card players have a language all of their own. From games of high skill (Bridge) to games of high chance (Newmarket) to trick-taking (Whist) and banking (Pontoon), David Parlett, seasoned specialist in card games, takes us masterfully through the countless games to choose from. Not content to merely show us games with the conventional fifty-two card pack, Parlett covers many games played with other types of cards -- are you brave enough to play with Tarot? With a 'working description' of each game, with the rules, variations and origins of each, as well as an appendix of games invented by the author himself, The Penguin Book of Card Games will delight, entertain and inform both the novice and the seasoned player.

With complete rules on more than 300 popular card games, including the new international laws of contract bridge, this comprehensive book also includes special sections on: choosing games for particular occasions, teaching card games to children, the etiquette of card games, technical terms used in card games, and more. From the Paperback edition.

A comprehensive guide to the complete rules of more than two hundred dice games, parlor games, word games, card games, and solitaire games also offers tips on winning play.

A leading inventor and collector of games, Sid Sackson is also an expert on game history. For this highly entertaining volume, the self-proclaimed "game addict" has selected over 60 popular games from around the world. A brief but fascinating introductory chapter to the history of card playing is followed by a valuable glossary of terms associated with this popular pastime. Additional chapters supply instructions, detailed illustrations, and an abundance of clear examples for playing such intriguing diversions as Sampen, Kowah, Kabu, Cha Kau Tsz' and Khanhoo from Asia; Skat, Blackjack, Old Maid, Fan Tan, Eights, Klondike, La Belle Lucie, Accordion, and Hearts from Europe; Whist, Blackout, Cribbage, Spoil Five, and Casino from the British Isles; Pif Paf, Samba, Bolivia, and Canasta from Latin America; and Poker, Pinochle, Contract Bridge, Rummy, and Oklahoma Gin from the United States. Most games can be played by children or adults with a common deck of 52 playing cards (a few will need additional cards from a second deck).
