The Context Of

Legislating Constraints

The Context of

Legislating provides a
much-needed

examination of how the

rules, resources, and
political conditions

within and surrounding

different institutions

raise or lower the costs

of legislating. Using

data tracking over 1,100

legislators, 230

committees and 12,000

Legislative constraints in terms of architecture refers to things that by law must or must not be done. There are many different constraints that an architect faces when designing a building but in this post I will only be referring to those enforced by law. Firstly, one of the main legislative constraints are the building
