Politics Book Review: European Union Politics (Palgrave Foundations) by John McCormick The European Union Politics And The politics of the European Union are different from other organisations and states due to the unique nature of the European Union. The EU is similar to a confederation, where many policy areas are federalised into common institutions capable of making law; however the EU does not, unlike most states, control foreign policy, defence policy or the majority of direct taxation policies. These areas are primarily under the control of the EU's member states although a certain amount of structured co

Politics of the European Union - Wikipedia

Covering the history, governing institutions, and policies of the European Union, John McCormick and Jonathan Olsen argue that the EU is one of the world's economic and political superpowers, has brought far-reaching changes to the lives of Europeans, and has helped its member states to take a newly assertive role on the global stage.
