A gorgeous story from the author of *Wind in the Willows*. It's about Little Snoreing, the village where the little train lived. Sam Trolley is the fireman and he has a little old fashioned fire engine pulled by a pony, Toby. When the Mayor decides to replace the fire engine with a brand new shiny one Sam is very sad, but it all turns out right in the end. I thoroughly enjoyed this sweet story, the illustrations by Edward Ardizzone are beautiful.

### **Little Fire Engine - AbeBooks**

The Fire Engine Book allows the youngest children a look into what firemen actually do on a call, but without being at all frightening; no people are seen inside of the burning building, and the personal belongings that the fireman save from inside the place are humorous.

### **The Fire Engine Book by Tibor Gergely - Goodreads**

The fire engine was looked after by old Sam Trolley, and was pulled by a pony called Toby. This is the story of how the unpleasant Mayor of Great Snoreing decided that the little fire engine was obsolete and must be replaced by a real motor-drive The village of Little Shoreing was very small, but it did have its very own fire engine, built before automobiles were invented.
