This acclaimed novel reveals the life of a Vietnamese family in America through the knowing eyes of a child finding her place and voice in a new country. In 1978 six refugees—a girl, her father, and four “uncles”—are pulled from the sea to begin a new life in San Diego. In the child’s imagination, the world is transmuted into an unearthly realm: she sees everything intensely, hears the distress calls of inanimate objects, and waits for her mother to join her. But life loses none of its strangeness when the family is reunited. As the girl grows, her matter-of-fact innocence eddies increasingly around opaque and ghostly traumas: the cataclysm that engulfed her homeland, the memory of a brother who drowned and, most inescapable, her father’s hopeless rage.

machine gun. In *Gangster*, he surpasses even his bestselling *Sleepers* to create a brutal and brilliant American saga of murder, forgiveness, and redemption. Born in the midst of tragedy and violence and raised in the shadow of a shocking secret, young Angelo Vestieri chooses to flee both his past and his father to seek a second family—the criminals who preside over early 20th century New York. In his bloody rise from soldier to mob boss, he encounters ever more barbaric betrayals—in friendship, in his brutal business, in love—yet simultaneously comes to understand the meaning of loyalty, the virtue of relationships, and gains a perspective on the lonely, if powerful, life he has chosen. As the years pass, as enemies are made and defeated, as wars are fought and won, the old don meets an abandoned boy who needs a parent as much as protection. By taking Gabe under his wing and teaching

him everything he knows, Angelo Vestieri will learn, in the winter of his life, which is greater: his love for the boy he cherishes, or his need to be a gangster and to live by the savage rules he helped create. A sweeping panoramic with riveting characters, a unique understanding of the underworld philosophy, and a relentless pace, *Gangster* travels through the time of godfathers and goodfellas to our own world of suburban Sopranos. But this is more than just an authentic chronicle of crime. Setting a new standard for this acclaimed author, *Gangster* is a compassionate portrait of one man's fight against his fate—and an unforgettable epic of a family, a city, a century.

The Native Speaker, author Chang-rae Lee introduces readers to Henry Park. Park has spent his entire life trying to become a true American—a native speaker. But even as the essence of his adopted country continues to elude him, his Korean heritage seems to drift further and further away. Park's harsh Korean upbringing has taught him to hide his emotions, to remember everything he learns, and most of all to feel an overwhelming sense of alienation. In other words, it has shaped him as a natural spy. But the very attributes that help him to excel in his profession put a strain on his marriage to his American wife and stand in the way of his coming to terms with his young son's death. When he is assigned to spy on a rising Korean-American politician, his very identity is tested, and he must figure out who he is amid not only the conflicts within himself but also within the ethnic and political tensions of the New York City

streets. *Native Speaker* is a story of cultural alienation. It is about fathers and sons, about the desire to connect with the world rather than stand apart from it, about loyalty and betrayal, about the alien in all of us and who we finally are.

Hailed by critics and writers as powerful, important fiction, *Monkey Bridge* charts the unmapped territory of the Vietnamese American experience in the aftermath of war. Like navigating a monkey bridge—a bridge, built of spindly bamboo, used by peasants for centuries—the narrative traverses perilously between worlds past and present, East and West, in telling two interlocking stories: one, the Vietnamese version of the classic immigrant experience in America, told by a young girl; and the second, a dark tale of betrayal, political intrigue, family secrets, and revenge—her mother's tale. The haunting and beautiful
